Talk Sup Week 2 Review and Preview

September 19, 2022

Good morning Sayreville! I hope you had a most relaxing and enjoyable weekend. Welcome to another edition of Talk Sup, my weekly newsletter. Please remember that this week we will hold **Back to School Nights** at each school from 6-8 pm beginning with **Project Before** and the **high school** today, **September 19th**, all **K-3 elementary schools** tomorrow, **September 20th**, the **upper elementary school** on **September 21st**, and the **middle school** on **September 22nd**. Likewise, please note that students will be dismissed early this Friday, September 23rd. Finally, please remember that our schools will be closed next Monday, September 26th in observance of Rosh Hashanah.

Remember that in **17** days, all residents in Sayreville will have an opportunity to “cool the schools” by voting on the **Facilities Improvement (air conditioning) Referendum** on

Thursday, October 6, 2022. Last week, I managed to attend PTO meetings at nearly every school with the exception of the Wilson School and the high school, to discuss the referendum and remind parents to vote. If you need or want to **Vote by Mail**, click [here](#) and scroll down to the **Vote by**

Mail section. You will see applications in several languages.

This information is also on the below-mentioned [Cool the Schools Facilities Improvement \(air conditioning\) Referendum](#) page of our website. To see the current presentation on the referendum, click [here](#). To view our new [Cool the Schools Flyer](#) and/or [Frequently Asked](#)

[Questions](#) brochure, click on each. To see all information pertaining to the [Cool the Schools Facilities Improvement \(air conditioning\) Referendum](#) and the district's strategic approach to improving its facilities, click [here](#). On this page you can also **ask any additional questions** and not only **receive a response in real time**, but you will also see the questions and responses asked by others accordingly.

Thanks to our magnificent teachers and instructional staff, our students had a ton of fun learning last week. At the high school, Nicholas Nunez and his classmates learned about the structure of unsaturated fats in Mr. Veres' Biology class. At the Eisenhower School, students and staff participated in a

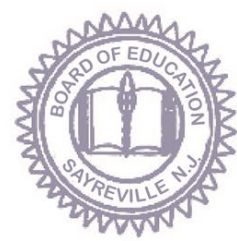

Word Parade and celebrated the Word of the Week, which was felicity. During our Bombers Beyond 18-21-Year-Old Program, students learned and applied new skills at the Sayreville Middle School (SMS) School Store. Two members worked on

purchases, while others worked on greeting customers and conducting inventory. Later in the week, they also stopped by the 9/11 Memorial at Burke's Park and toured the Sayreville Fire, Police and Justice Departments. In Project Before (PB) at Kidzland, our preschoolers had a ball making new friends. Likewise, in PB at Garden and Friends on Main, students had a blast listening to music while making rain drops.

In athletics, the Sayreville War Memorial High School (SWMHS) Girls Soccer Team won three consecutive games last week over North Plainfield High School (HS), South Plainfield HS, and New Brunswick HS to improve its record to 3-2 on the season. In addition, the SWMHS Football Team improved its record to 2-1 with a big 12-6

win over Edison HS. During the game, the Sayreville Junior Bomber Cheerleaders joined the Bomber Cheer Team and Psych Squad in cheering on the football team to victory. Likewise, the SWMHS Field Hockey Team defeated South Plainfield HS 1-0 to improve its record to 2-1. The game winning goal was scored by Sheridan Markowski with the assist by Ryann Schlaline. The SWMHS Boys Soccer team also notched its second win of the season last week with a 3-0 victory over

Piscataway Technical HS. Similarly, the SWMHS Girls Tennis Team earned its second match win of the season when it defeated Highland Park HS last week. Finally, the SWMHS Cross Country Team ran very impressively during the Ocean County Park Meet. In fact, several runners recorded personal best times. Win or lose, all our amazing student athletes continued to compete fiercely and demonstrate the teamwork and sportsmanship that makes us all proud to be Bombers. Thus, we thank them and their coaches for their hard work, dedication, and the manner in which they represent SWMHS and our community. Please remember that you can see all athletic team schedules and view all the action by watching them on the live streaming links posted on the Athletics page of our website or by clicking [here](#).
