## 2022 Newmark Annual Fund Message

Dear Newmark Parents,

As we reflect on the past few years, we can see how Covid-19 has had a major impact on all of us.

Perhaps the hardest hit has been our students' ability to enjoy typical childhood activities. It is our belief that our students need to play and have a more joyful childhood experience. This year our school theme is **Passionate People At Play!** The goal is to offer more social connection opportunities and school-wide events to help promote the physical, social, emotional and mental health of our children.

This year, we recognize that Newmark must continue doing what we do best – **educating and providing emotional and social connections for our families and students.** Today, we are asking that you consider donating to the 2022 Newmark Annual Fund Appeal so that we can continue the important work we have set in place for your child for the 2022-23 school year.

### We need your help.

Please visit our [website](#) or check your mail for more details on how to make a tax-deductible gift for the 2022 Newmark Annual Fund. **Our goal is 100% parent participation** - so every donation counts!

Thank you for your consideration on behalf of all the students at Newmark.

Sincerely,

Ms. Cynthia Allman  
Executive Director

Dr. Regina M. Peter  
Executive Director
