Welcome to Stark County Early Childhood Program!

We are so happy to have your child joining us for preschool services.

Parent handbooks that will serve as your guide to the preschool process can be found on our website: www.starkcountyesc.org

Click on Programs; Click on Early Childhood/Preschool; Click on Parent Information. A drop down will appear under Forms then Consent for Web. This form will show you consented to view the Handbook online rather than receive a hard copy.

Please mark below what applies, sign and date the form. Return the form to your child's teacher.
