Dear Wausau School District Families:

A vital tool for your child(ren)'s bus tracking is our FirstView® app. If you haven't yet, be sure to download it. The app tracks your student's bus AND it can provide updates on bus cancellations: weather, or otherwise. You can [click here](#) to learn more. In order to receive bus cancellation notifications, you need to ensure notifications are allowed for FirstView® in your phone settings. We encourage you to add up to 3 emails that will receive these notifications. You can do this by navigating in the app to Settings > Notification Recipients.

Sincerely,

Wausau School District Administration

It is the mission of the Wausau School District to advance student learning, achievement, and success.
