## SCHOOL LUNCHES AT ISAAC, NEXT LEVEL!

Chef Julie seen in the newly remodeled ISAAC CAFÉ as of April 2022. The ISAAC Kitchen is now a fully furnished state of the art kitchen.

New London, CT— ISAAC is not just a school that has rigorous academics, competitive athletics, unbelievable teachers, and outstanding offerings for after school programming. ISAAC has much more to offer and it starts with our Cafeteria and our lunch program. ISAAC understands that their students need the best of everything and that includes our kitchen staff, lunch menu, and ingredients.

“We listen to our students, value their opinions about what they like about food, and understand that lunch is an important part of their day.” said Dr. Spera, “Our students deserve the best and that is what we want to give them.” Each month Dr. Spera and Chef Julie create a menu based on student feedback. Changes are made based on students likes, dislikes, and recommendations. It is an iterative process that starts with the students of ISAAC. Some popular ISAAC lunches: General Tso Chicken and homemade Vegetable Fried Rice, Buffalo Chicken Mac & Cheese, BBQ Pulled Pork & Coleslaw, and Chicken w/Waffles to name a few. “We love giving our students unique food options, that are different from other schools.” said Chef Julie.

ISAAC monthly food calendar can be found here:

### TEACHER SPOTLIGHT

#### MR. IRVINE

Mr. Irvine is in his first year teaching 6<sup>th</sup> grade Social Studies at ISAAC. He received his Bachelor’s degree in History from Southern New Hampshire University and a Master’s degree in Arts and Teaching from Sacred Heart University. Mr. Irvine is also a baseball and basketball

coach, and he credits his coaching experience as a significant motivator for becoming an educator. He embraces the learning process and the mindset of setting goals, working as a team, and trying to improve every single day. In addition to teaching and coaching, Mr. Irvine enjoys sports, cooking, and spending time with his wife and 4-year-old daughter.

### Principal’s Notes:
