

Developmental Guidance & Counseling Program

Guidance Curriculum

The goal of the guidance curriculum is to help students develop their full educational potential, including the student's interests and career objectives. The curriculum is based on District Core Values, The Leader in Me, Naviance, District Digital Citizenship, etc. Students receive a majority of these lessons during their advisory period on Mondays, Wednesdays, and Fridays.

Responsive Services

Counselors intervene on behalf of any student whose immediate personal concerns or problems put the student's continued educational, personal, or social development at risk. Responsive services can occur any time a student has an immediate concern.

Individual Planning

Counselors will guide a student as he/she plans, monitors, and manages their own educational, personal, career, and social development.

System Support

Counselors will support the efforts of teachers, staff, parents, and other members of the community in promoting the educational, career, personal, and social development of students.

Counseling Program & Curriculum

*Parents are welcome to make an appointment to review and discuss our Counseling Program and Curriculum.

Passive Statement

School Counselors are available to assist students with a wide range of personal concerns, including such areas as social, family, emotional, mental health, or substance abuse. A student may request to visit the school counselor's office and parents may request resources from a counselor. In order to meet the personal needs of students, school counselors may also offer support groups on a recurring basis. If a parent/guardian does not want their student to participate in a support group, written documentation of denial of services will need to be provided to the school counselor.

Counseling Program Highlights and Curriculum

**Parents, if you would like to review and discuss the materials listed below, please feel free to call or email and make an appointment with Dr. Coronado.*

Welcome to YOUR
Best Year Yet!
#BETHEDIFFERENCE

Dear Cardinal Families,

We are so excited for our 2022-2023 school year! There many wonderful leadership opportunities for our students. We want you to know that the counseling team is dedicated to supporting your student academically, socially, and emotionally. This document includes a list of some of the ways the counseling team at Space Center will support your student, including information on normal SCIS/CCISD SEL curriculum and programming.

Please contact us if you have any questions and know that we are committed to working with you to help your student achieve success as a learner who leads!

Sincerely,

Cynthia Lee Coronado, Ed.D., LPC-S, CSC (Student Support Counselor)
Jessika Finney, MS, CSC (Alpha Counselor for Students with last names A-L)
Heather Valadez, MEd, CSC, LPC (Alpha Counselor for Students with last names M-Z)
