

Sheryl Reddig - Biography

Mrs. Reddig has been an Executive Assistant/Office Manager for Crystal Farms Dairy Company since August of 2022 and before that she was with Hormel Foods Corporation for 7 years. She earned an Associate of Arts Degree in Marketing from Dakota County Technical College in 2006. She has over 20 years of administrative experience in various industries from a metro-based salon and day spa chain, a law firm, in addition to five years working at a private school in northern Minnesota. She and her husband Brad have a passion for foster care and adoption. They have hopes of being able to open their home to foster care in Carver County one day and continue to support foster and adoptive families in the community and their church. They live in Waconia with their two children, Zac and Hope, who attend Cologne Academy. Mrs. Reddig also has a passion for children with special needs, having adopted both of her children who have mild to moderate special needs. “That is one of the many reasons I wanted to be a part of the Cologne Academy School Board. I hope to also be an advocate for special needs families as they travel through the different trials that they may come across. We are so very blessed to have a school like Cologne Academy in our community!”
