

# Admission Steps

## Trinity Episcopal School

### Create an Applicant Profile

The application fee is **\$150**, and our priority deadline is **January 31**. Applications submitted after Jan. 31 require a \$50 late fee and will only be considered if space becomes available. We announce admission decisions in early March.

### Schedule a Family Interview

We require an interview with all parents and the student. The interview doesn't require any preparation; it's simply a conversation between your family and a Trinity staff member. If you have multiple applicants, we require a separate interview for each child. Interview signups become available in November.

### Visit Our Campus

Swing by sometime! You truly don't know if a school is right for your family until you get on campus. We recommend visiting at least once to be sure Trinity is right for you. See upcoming events and register at [austintrinity.org/visit](http://austintrinity.org/visit).

### Submit Academic Record

Academic records are optional for kindergarten applicants and required for grades 1-8. Teacher evaluations are required for all grades. See your application for grade-level details.

### Complete Testing

**GRADES K-4** Your child must complete an internal assessment on our campus for a \$75 fee. We will assign a testing date, which will be on a Saturday in January or February.

**GRADES 5-8** Your child must complete the Independent School Entrance Exam (ISEE) or the Secondary School Admission Test (SSAT). Both may be taken at any testing site or online at home. We do not offer on-campus testing.

### Apply for Financial Assistance

Complete a Parent Financial Statement by **January 31**. We consider more than just income. Other factors include assets, dependents, tuition expenses, and unusual expenses. Learn more at [austintrinity.org/affordable](http://austintrinity.org/affordable).

### Complete Application

The priority deadline to complete your application is **January 31**. Your applicant portal walks you step-by-step through the admission process. After you complete all steps, your application will turn green to let you know you're finished! We announce decisions in early March.
