CLARIFICATIONS

Below are requests for information (RFI) to date and corresponding answers:

1. Who had the last bid and how much was the price per pizza? What school year was that for?
Domino's & Papa John's were awarded the last bid. Papa John's charged \$7.49 per pizza. Domino's charged \$8.00 per pizza. After a couple of years, Papa John's pulled out of the agreement. Domino's has been solely used last school year and will be solely used this school year.
2. What is the break down of number of pizzas for the high schools, middle schools and elementary schools?
Please see attached document for estimates.
3. What day of the week are the pizzas provided to each of the school category (high school, middle school, and elementary school)?
Please see attached document for current schedule as a reference.
4. Just to confirm all the pizzas are 14" pizzas and are all cheese pizzas cut in 8 slices. In years past there use to be different toppings and also 10 cut pizzas. Is that still an option for the schools to choose from?
Yes, pizza's are 14" and are cut into 8 slices. The only toppings we are requesting are cheese pizzas and pepperoni pizzas.
