SCHOOL FOOD PROGRAM

We are committed to working with our families to help students enjoy rich, rewarding, and healthy lives. We are working to educate our students about healthy eating habits, and how to avoid the pitfalls and dangers of an unhealthy diet. We firmly believe our healthful food policy will go a long way toward ensuring we meet these goals. CDCPS is a nut free school. Parents should not deliver any fast food and/or fried foods for their child.

BREAKFAST AND LUNCH

School lunch and breakfast are served daily at no cost to families. The menu features low fat, low salt, whole grain foods and fresh fruits and vegetables.

SNACKS

Students should not bring snack foods to school. All morning and/or afternoon snacks will be provided by the school. The school will serve healthful and nutritional snacks only. Families should not send in birthday cakes and other food treats to be eaten during the school day, including on holidays.

SCHOOL LUNCH BOX AND BAG SUGGESTIONS

For children bringing lunches which include highly perishable food, please pack little ice bag coolers which can be purchased at local stores. Parents should not bring or have delivered to students fast food and/or fried food lunches and/or soft drinks during the school day. Students should refrain from bringing cakes, candy, and other “junk foods” in their school lunches. Whole grain breads and fresh fruit and vegetables make lunches nutritious and healthy for growing children.

PARENT INVOLVEMENT

PARENT ADVISORY BOARD

The Parent Advisory Board meets regularly, giving parents an opportunity to plan programs which encourage parental involvement in the school. The PAB addresses a range of issues from academics and curriculum to fundraising. The PAB seeks to represent the concerns of parents of all children at the school, special needs, at-risk, limited English proficient and high achievers. Appointed Board members assume responsibility for setting and implementing the PAB agenda, but all parents may vote. Meetings are open to all parents as well as to the general public. Spanish translation is provided at all meetings. The Parent Advisory Board includes representation across grade levels and programs. The Parent Advisory Board Sub-Council on Special Education (PAC) ensures parent participation in the planning, development and evaluation of the school’s special education program as mandated by the laws that govern special education. The Association of Parents in Action (APA) is a support group for Spanish-speaking parents. Discussions focus on topics of concern to parents. English translation is provided.
