### GRADING:

The academic school year consists of two semesters. Each class meets daily for a total of 262 minutes a week for 180 instructional days. Students are usually enrolled in 6 classes each semester and receive 5 credits for each class each semester. Grade levels included in reported GPAs are 9-11 through the 6<sup>th</sup> semester transcript and 9-1<sup>st</sup> semester grade 12 for 7<sup>th</sup> semester transcript. There is also an intervention period on Wednesday and Thursday to support students struggling in particular classes.

**Explanation of marking system:**

A = Excellent      D = Below Average      NC = No Credit      P = College Prep      ELD = English Development  
 B = Above average      F = Failing      H = Honors      HS1 = RSP      IE = Intensive English  
 C = Average      I = Incomplete      AP = Advanced Placement      SDAIE = Prep ELD

GPA's are reported on a 4.0 scale and courses marked with a "+" are weighted thus: A = 5, B = 4, C = 3. Class rank is calculated using the *academic weighted* average of all marks earned in all semester grades.

**Class of 2023 decile rank distribution is as follows:**
