**Capitol Campus Update**

Since we last met, school began! This already feels like long ago, as we are now in full swing and well into our Normalization period! Some highlights at the Capitol Campus include meaningful Family/Teacher Initial Meetings, three fantastic Back-to-School Night events divided up by grade-level spans, our first Campus Advisory Council (CAC) meeting (attended by 32 people!), our first whole school (Peace) assembly (attended by parents-yay!), and our first Capitol Café gathering meeting, which provided our Seven Habits of Successful Volunteer Training to prospective volunteers! This is timely as we will be welcoming volunteers onto the campus very soon at the end of our Normalization Period.

There is just so much exciting learning happening at Capitol! Beginning of the Year Assessments are wrapping up and lessons are in full swing in most classrooms. The teachers’ Professional Learning Communities are meeting and planning together weekly, and we see them collaborating more effectively than ever. During our classroom observations, Ms. Katey and I notice such peaceful learning environments and purposeful, effective lessons. We are also excited to report that our enrichment and intervention teams are in full swing, working with the teachers to identify students who require reading or math intervention support and providing excellent Visual and Performing Arts (VAPA) and P.E. lessons! The teachers and teaching assistants are making magic happen here at Capitol!
