

# BOARDMAN LOCAL SCHOOL DISTRICT

## POST-COVID MITIGATION PLAN 2021-2022

District Name	BOARDMAN LOCAL SCHOOL DISTRICT
District Address	7777 GLENWOOD AVE. BOARDMAN, OHIO 44512
District Contact	H. JARED CARDILLO
District IRN	048306

Impacted Students	The District will identify students whose academic needs and social-emotional development have been negatively impacted by the COVID-19 pandemic.
Student Needs	Teachers, counselors, and administrators will analyze data and gather staff input in order to determine the necessary intervention(s). The District's assessment data (STAR, Fountas and Pinnell, MAPs, local assessments, class grades, etc.) will guide us as we identify and address each student's specific needs.
Financial Resources	Funds provided by ESSER II
Approaches	The District will provide a two-phase approach in order to meet the needs of our students. Phase 1 is an intervention-based summer school program which will begin at the conclusion of our regular school year. In Phase 2, will employ additional staff during the 2021-2022 school year. This will allow the District to more effectively address the needs of our students who are performing below grade level. The District will also add to its already existing social-emotional supports.
Partnerships	The District will partner with both Alta Behavioral Health Care and Meridian Health Care to support the social-emotional needs of our students and staff.
Alignment	Our plan will seamlessly reinforce our current curriculum.
