

THE SQUEEZE

WELCOME BACK!

Hello Teachers,

Welcome back to the 2022-2023 school year! This newsletter will serve as a quick overview of what your Teacher Tech Lead (TTL) reviewed.

Please use your TTL as a resource to assist you with apps, software programs, and strategies.

1:1 DEVICE HANDOUT

The handbook explains the use and care of the 1:1 devices within OrangeUSD. Here you will find costs for damages and repairs including parent resources.

TECHNOLOGY SUPPORT

TTLs are the front line to support teachers with troubleshooting issues that may arise (i.e. downloading apps from the Manager app, connectivity issues, etc.). If TTLs cannot assist with a problem, they will suggest submitting a Help Desk ticket or call X4357.

GRADUATE PROFILE

Why technology?

Many of our students today will be working in jobs that require a great deal of technology from data analysts to robotic engineers. The top 4 skills employers will be looking for are:

- Problem-solving
- Working with people
- Self-management
- Technology use and development

CANVA

Did you know that you have access to a free premium account? You can verify your educator status by clicking the CANVA icon to the right. Canva allows educators to:

- Customize Google Classroom banners
- Access ready-to-use templates
- Customize slideshow presentations
- Connect your Google Classroom for student assignments
- And so much more!

THE JUICE PODCAST

The Educational Technology Department has created a new podcast, The Juice: A Burst of Knowledge. The current episode discusses Digital Citizenship where listeners can follow up with some Professional Development hours to build lessons for their classroom.
