Facilities Support Technicians

Community School of Naples, an independent, college preparatory school, is currently seeking Facilities Support Technicians for full-time, year-round positions.

Description

Community School of Naples, an independent PreK-12 school, is seeking motivated and talented facilities maintenance support personnel. These positions may require various skills in electrical, plumbing, HVAC, carpentry and/or painting as well as other entry level tasks in facilities maintenance. Self-starters with initiative, these positions will also work well within our cooperative team of professionals.

Duties will include various tasks and projects around campus and in buildings, from repairs to pressure washing to event set up and break down.

The candidate must be able to speak, read and understand spoken English. High School diploma or equivalent is preferred.

The physical requirements are walking, standing, heavy lifting (40lbs or more), climbing and the ability to work outdoors in Florida's hot and wet climate.

Compensation and Benefits

These hourly, year-round positions are paid based on the candidate's qualifications. Candidates who come with strong experience in HVAC maintenance and repair will receive extra consideration for pay level. All employees are eligible to participate in CSN's generous 403(b) retirement program as well as Aflac, Legal & ID Shield and Pet Insurance offerings. Full time employees are eligible for our competitive benefits package, including medical, dental, vision, disability, AD&D and life insurance. Breakfast and lunch are provided free of charge on all school days. Please visit our website for more details about the benefits of a career at CSN.
