Superintendent's Message - Dr. Nathan Kleefisch

Welcome Back to the 2015-16 School Year!

The MSD of Boone Township Board of School Trustees, the Administration and the entire school staff would like to extend a warm welcome back for an exciting school year to all students and their families. We hope that the 2015-16 school year provides every child throughout the district the best academic, athletic and extra-curricular school experience ever!

Here are just a few of the many exciting things that we have planned for this year.

Indiana Career Explorer

In an attempt to help all students maximize their educational experiences at MSD of Boone Township and to help students succeed in their post-secondary endeavors (going to college, entering a trade/technical school or entering the workforce), Hebron Middle School and Hebron High School will be introducing all of their students to the Indiana Career Explorer throughout the 2015-16 school year.

Indiana Career Explorer helps students explore a world of postsecondary possibilities, make decisions regarding their future and prepares students for the next steps in their education and career planning journey. Middle and high school students will learn about their strengths and things that they like to do and matches these strengths and passions to five careers that reflect their strengths.

Furthermore, once these careers are identified, students could explore the details of each of these careers through interactive videos and review details such as the educational requirements needed to enter the field, future job projections and salary ranges when employed in the field.

The Career Explorer also helps students build an educational plan to meet their individual educational/career goals and provides a dashboard to let students know the progress they are making toward reaching their goals.

For additional information regarding Indiana Career Explorer go to:

<http://www.indianacareerexplorer.com/students.htm#tab2-training>

Olweus Bullying Prevention Program

On August 4th & 5th representatives from all areas within the district will be participating in the Olweus Bullying Prevention Program training and will serve as each buildings Bullying Prevention Committee. The Olweus Program is a research-based program that provides a long-term, district-wide approach to bullying prevention. The Olweus Bullying Prevention Program educates all stakeholders on the characteristics of bullying behavior, how to address bullying situations that do occur, and to create and maintain a long-term bullying prevention culture throughout the district.

Stakeholders include: administration, teachers, aides, counselors, transportation, school nurse, students and parents.

The program also includes the Olweus Bullying Survey that is administered to all students in grades 3 through 12 each year. The data gathered from this survey is used to assess the schools efforts in reducing bullying and helps each Bullying Prevention Committee identify areas within each school where improvement is needed. Once identified, the Bullying Prevention Committee is charged with defining strategies to reduce/eliminate the bullying behavior and to monitor the progress of their efforts over time. For additional information regarding the Olweus Bullying Prevention Program go to: <http://www.violencepreventionworks.org/public/index.page>

Elementary and Middle School Parking Lot Reconfiguration

During the past school year, multiple parents and school staff have expressed their concerns regarding unsafe conditions resulting in several near misses in the parking lots of the middle and elementary schools involving school buses and parent/high school student vehicles. These unsafe conditions place our students, parents and staff at risk for being injured. As a result, the District's Safety Committee elected to separate school buses from parent/high school student vehicle traffic in the middle and elementary school parking lots during student drop off and pickup times to enhance the safety for all students, parents and school employees. Beginning on the first day of school, school buses will only be dropping off and picking up students from the elementary parking lot (East lot). Electronic gates and concrete barriers will only allow school buses and school employees to enter the elementary parking lot during student drop off and pickup times. All buses will be entering and exiting the elementary lot through the southeast entrance of the elementary parking lot. Once outside the elementary lot, buses will be entering/exiting the school campus via the high school entrance on 231 and by using Utility Drive. No school buses will be allowed to go through the middle school parking lot.

Parents and others dropping off or picking up middle and elementary school students in their private vehicles will have a more efficient way of dropping off or picking up all of their elementary and middle school students at one location, Door D of the middle school, which is located in the middle school lot (West lot). Once inside Door D, elementary students will proceed down the ramp to the cafeteria or to the elementary gym. School staff will be outside in the middle school parking lot to help guide parents through the process during the transitional period. Parents will still be allowed to drop off and pick up their students on the north side of the middle school building as they have in the past!

As always, if you have any questions, feel free to contact me at any time at (219) 996-4771 ext. 120.

Have a Great 2015-2016 School Year!

Nathan Kleefisch, Superintendent

HELPING STUDENTS SUCCEED

ASSISTANCE AVAILABLE FOR LOWER-INCOME FAMILIES

Parents and students can obtain an application for free or reduced price meals at registration or on the schools website. You can check the income and household size chart below to see if you are eligible and if so, you are encouraged to apply.

Who can get free or reduced price meals?

- All children in households receiving benefits from SNAP (Food Stamps) or TANF, are eligible for free meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

NO CHILD LEFT BEHIND NOTICE TO PARENTS

As a parent/guardian of a student in the MSD of Boone Township, you have the right to know the professional qualifications of the teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

1. Whether the Indiana Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
2. Whether the Indiana Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
3. The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
4. Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to request any of this information, please contact the superintendent's office at 219-996-4771

RETIRING Staff -

Ms. Sue Snell retired as a Speech Clinician at the end of the 2014-15 school year. Ms. Snell split her time between Hebron Elementary and Kouts Elementary serving a total of 40 years which included 23 ½ years at Hebron Elementary School. Ms. Snell will be missed at Hebron and we wish her the best in her retirement.

Mrs. Toni Rattray joined Chartwells in 2010 and has been the Food Service Director for MSD of Boone Township since 2012. Mrs. Rattray will be leaving us in the fall to pursue a full time position at Lake Ridge School Corporation. We thank her for her service to our staff and students and wish her the best in her new adventure.

NEW Staff -

Ms. Anastasia Halajcsik is a Hebron High School graduate who will be teaching first grade at Hebron Elementary School this fall. Ms. Halajcsik completed her Bachelor's Degree in Elementary Education at Indiana University-Bloomington. Ms. Halajcsik taught full day kindergarten at Hebron Elementary during the 2014-2015 school year and is looking forward to moving up to the first grade.

Mrs. Julia Trulley has been with Hebron Middle School since January 2014 as the Middle School Media Specialist. Mrs. Trulley will begin her new position as the district IT Support Technician over the summer.

Mrs. Kara Wilber began working as the Study Skills Aide in the Hebron Middle School August 2014. She will be the new Middle School Media Specialist in the fall. Mrs. Wilber has also been a substitute teacher with the corporation along with treasurer of the Hebron Band Boosters.

Mrs. Andrea Pastrick will begin in the fall as the Middle School Study Skills Aide. Mrs. Pastrick comes to us with a Bachelor's degree in Spanish Education from Indiana University and was previously a Spanish teacher at Valparaiso High School.

Mr. Scott Howard joined Chartwells on June 15th of this year and is the new full time Food Service Director for MSD of Boone Township. Mr. Howard has 20 plus years as a restaurant professional, mostly at the district manager level. Mr. Howard is looking forward to working closely with the staff and students at the Hebron Schools.

HIGH SCHOOL NEWS - Mark Lutze, Principal

Hebron High School students were each issued a Chromebook computer at the beginning of the 2014-15 school year. The ability for students to have immediate access to resources on the internet is transforming education. Students are learning to do research, to evaluate the quality of information available, and to make use of software applications to process what they have learned. More than ever the high school is a portal to the larger world, allowing students to explore and pursue their interests while meeting academic standards.

US News and World Report recognized Hebron High School as one of "America's Best High Schools." This ranking is based on the results of state proficiency tests with attention to the performance of students who are disadvantaged, as well as the performance of students enrolled in Advanced Placement Classes.

Under the direction of Karen Jania, American Legion Educator of the year, students have an opportunity to develop skills in visual arts in a variety of media. Hebron High School students displayed their talent around Northwest Indiana. Annabell Folsom was recognized at the Calumet college of Saint Joseph Art Show. Tyler Hill was a winner at both the South Shore Arts and Porter County Recycling Center competitions. Ashley Rumford's work was honored at the Pete Visclosky Congressional Art Competition and South Shore Arts show.

The Drama Club continues to grow in membership and in popularity, providing quality entertainment. The club presented Charlotte's Web for its fall play and The Music Man as the spring musical. Each production drew record crowds – over 1000 tickets were sold for the musical.

Prior to graduating, students at Hebron High School have the opportunity to earn college credit. Through agreements with Indiana University Bloomington, Purdue North Central, Ivy Tech and Vincennes, students can participate in concurrent enrollment classes. Over 40% of the students in the class of 2015 took advantage of this opportunity, averaging seven credits per student.

MIDDLE SCHOOL NEWS - Jeff Brooks, Principal

The 2014-15 school year is behind us, but Hebron Middle School students have certainly made a lasting impression with all of their accomplishments. The outgoing 8th grade students will continue their success at Hebron High School and we look forward to our incoming 6th grade students having a productive three years here at Hebron Middle School.

Hebron Middle School has so much to be proud of as we reflect on the past school year. We were re-designated as a "School to Watch" through 2018 from the National Forum to Accelerate Middle Grades! The National Junior Honor Society raised another \$5000 as a community service project for the community Angel Tree. Our Science Olympiad Team qualified for the State Championship in Bloomington for the first time! Mrs. Hall was named the Middle School Educator of Year in Region 1 from the American Legion! We also had great success in our athletic programs with our Girls Cross Country team, 8th Grade Girls Basketball team, 7th Grade Boys Basketball team and our Boys Track team winning championships! We are very proud of all of the accomplishments during the 2014-15 school year.

The 2015-16 school year will see some changes at Hebron Middle School. Our middle school media specialist, Mrs. Trulley has accepted a position with the corporation technology department. Mrs. Trulley's replacement in the library will be Mrs. Wilber, who was our 6th grade study skills aide. Mrs. Wilber was a substitute teacher in the district for many years before becoming a staff member last year.

We are looking forward to many exciting opportunities during the upcoming school year. This all starts with the Hebron Middle School Open House on Monday, August 17th. The open house will start in the gymnasium at 6 pm. Parents and students will then have an opportunity to meet their grade level team teachers, walk the halls, open their locker and see their classrooms. We will finish the night with an ice cream social.

Hebron Middle School is now going to be 1 to 1 with devices for every student! Our 7th and 8th grade students will be issued brand new Samsung Chromebooks which will serve as their textbooks for the school year. Our 6th grade students will be using the Dell Latitude 3330 laptops. Teachers have been preparing this summer by attending the Google Apps for Education Summit in Illinois and several e-Learning workshops around the state.

Please be looking for an email regarding online registration at the middle school starting August 3rd! We are excited to offer the opportunity for parents to register their student online this year. You will have an opportunity to sign forms, change demographics, pay textbook rental and get your student's schedule for the year. A link will arrive in your inbox on or around August 3rd.

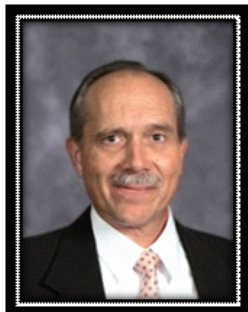

I hope that everyone takes advantage of the last few weeks of summer and I hope to see everyone here for the Middle School Open House on August 17th!

Jeff Brooks, Principal

ELEMENTARY SCHOOL NEWS

Jim Martin - Principal

To close out the 2014-15 school year, Hebron Elementary recognized twenty-two 5th Grade students for the President's Award for Educational Excellence. To qualify for this award, students must meet the following two requirements: 1. Obtain an A- or better grade point average for their last three semesters (two in fourth grade and first semester in 5th), and high achievement in Reading or Math on a State achievement test (ISTEP). The students who received this honor were: Faith Alvarez, Joseph Dedic, Myah Donovan, Anthony Farler, Ian Glotzbach, LinAnn Gressmire, Elinor Grochowski, Daniel Henson, Ivan Hernandez, Greyson Humphrey, Nicki Maslin, Logan Joseph, Reece Marrs, Zana Minto, Madison Osburn, Max Pastrick, Olivia Pastrick, Dawson Peters, Phoenix Powers, Jack Stockman, Ryder Toczek, and Gwen Weaver.

Our Elementary P.T.G. had excellent participation and coordinated many activities to enhance the students' experiences throughout the year. New officers elected for the 2015-16 school year are: Vanessa Brown, President, Jennifer Rearick, Vice-President, Heather Naasko, Treasurer, and Dana Darman, Secretary. We would like to thank Leslie Chas, outgoing Treasurer, for her outstanding years of service to our Elementary P.T.G.

We also recognized nine 3rd Grade students at a School Board meeting for obtaining a perfect score (650), on the 3rd Grade State IREAD-3 Reading Exam. The students who obtained a perfect score were: Clayton Buchanan, Megan Kellner, Angelia Panagiotidis, MacKennah Rollins, Kaitlyn Hilton, Trever Roy, Kyle Ware, Jenna Wiegman, and Journi Powell.

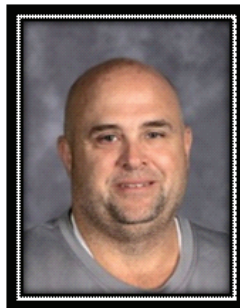

Congratulations to Mrs. Joanne DeFries for being recognized by her peers as the American Legion Educator of the Year for District Two! She represented District Two this summer at the State Educator of the Year Ceremony.

Over the summer, we upgraded the Harmony Student Management Software, so parents will now be able to pay for textbook rental and lunches online with a credit card.

Registration is scheduled for August 10th-12th with the first student day set for August 19th. See you soon!

Attention Parents!

Our Athletic Department has two booster clubs that support our students. We need you!

Hebron Athletic Booster Club – Contact Mary Sue Sheets for more information at 219-996-4771 ext. 119

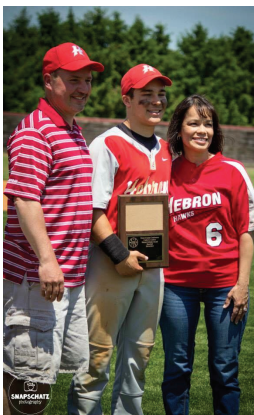

This club has recently purchased an International Scout utility vehicle for the Athletic department, backboard lighting, time clocks in locker rooms, and new volleyball standards. This club is in charge of our high school concession stands and offers scholarships to students when their parents work our concessions.

Hawk Athletic Booster Club – Contact Carol Wallace for more information at 219-996-7215.

This club has recently purchased the outside signs displayed at our baseball field, softball field, and track. They also purchased stadium chairs for our middle school and high school gymnasiums. This group raises money by selling items such as cookies at our home basketball games and also works around most Hebron Community events selling items to support our Athletic programs.

Please help our students by joining one or both of these Booster clubs today!
