

SUMMER 2016

MSD of Boone Township
Helping Students Succeed

BRIDGES

Connecting the Pieces of Life

Congratulations and Best Wishes to Mrs. Robbins

Congratulations to Mrs. Robbins on winning the American Legion District 2 Educator of the Year for grades K-5 and best wishes on her retirement.

Congratulations to the Boys Varsity Baseball Team

Regional Champions - June 4, 2016

Superintendent's Message - *Dr. Nathan Kleefisch*

Welcome to the 2016-2017 School Year!

The MSD of Boone Township Board of School Trustees, the administration and the entire school staff would like to extend a warm welcome to the start of another exciting school year to all students and their families. We hope that the 2016-2017 school year provides every child throughout the district the best academic, athletic, social development and extra-curricular school experience ever!

Here are just a few of the many exciting things that we have planned for this year!

Expansion of our 1:1 Technology Program

MSD of Boone Township currently has a very successful 1:1 Technology Program that places Chromebook laptop computers into the hands of every high school student and most middle school students. The Chromebooks have proven to be very durable, reliable, appropriate for all of our educational needs and most importantly, affordable.

Thanks to the generous financial assistance of the Hebron Redevelopment Commission (HRC), through the use of Tax Increment Financing (TIF), the cost to purchase last year's seventh and eighth grade Chromebooks was partially covered, keeping the costs for expanding our technology program to a minimum for parents.

Currently, all students in grades 7 through 12 have a Chromebook computer and the sixth graders have been using the Dell Laptop Computers that were passed down from last year's eighth graders. All are included in the 1:1 Program. This state-of-the-art technology allows our Hebron High School and Middle School students to expand the boundaries of their classroom research to its highest level. In addition, putting this type of technology into the hands of our students prepares each student to effectively navigate complex hardware and software systems used for academic and research purposes, which they will be expected to know when they leave high school. With this being said, MSD of Boone Township is planning to expand the depth of its 1:1 program to include all fifth grade students. The Dell laptop computers currently used by the sixth grade students will be passed down to the fifth grade students in the fall of 2016 and we will be purchasing 100 new Chromebooks for all sixth grade students. To this end, all students in grades six through twelve will utilize the same Chromebook technology that will be used expand the boundaries of their educational experiences for academic and research purposes.

Indiana Career Explorer

Building on our goals to ensure that all students take full advantage of their educational experiences at MSD of Boone Township and to assist all students in defining, reaching and succeeding in their post-secondary endeavors (going to college, entering a trade/technical school or entering the workforce), Hebron Middle School

and Hebron High School will continue to expand the opportunities for all of their students to engage in the Indiana Career Explorer Program.

Indiana Career Explorer helps students explore a world of postsecondary possibilities, make decisions regarding their future and prepares students for the next steps in their educational and career planning journey. Through the use of the Indiana Career Explorer, middle and high school students will learn about their individual strengths and things that they like to do and will match these strengths and passions to five careers that reflect their individual strengths and talents.

Furthermore, once these careers are identified, students could explore the details of each of these careers through interactive videos and review detailed data specific to these career opportunities such as the educational requirements needed to enter that specific career field, future job employment projections/trends and salary range projections for future employment in the specific career field.

The Career Explorer also helps students build an educational plan to meet their individual educational/career goals and provides a dashboard to let students know the progress they are making toward reaching their specific goals. The Indiana Career Explorer Program is flexible and grows with the student. As the student matures and their interests change, the interest based assessment could be retaken multiple times. The updated information will reflect the student's current interests and individual strengths.

For additional information regarding Indiana Career Explorer go to:

<http://www.indianacareerexplorer.com>

Olweus Bullying Prevention Program

MSD of Boone Township understands that having a safe school environment is foundational to ensure that all students reach their highest academic and social development potential. Providing a positive school culture, one that accepts and respects the differences that we all bring to school every day, helps our students learn about other cultures and develop into well-rounded and mature adults.

The Olweus Bullying Prevention Program is a research-based program that provides a long-term, district-wide approach to bullying prevention. The Olweus Bullying Prevention Program focuses on educating all stakeholders on the characteristics of bullying behavior, how to address bullying situations that do occur, and to create and maintain a long-term bullying prevention culture throughout the district. Stakeholders include: administration, teachers, aides, counselors, transportation, school nurse, maintenance, students and parents.

The program also includes the Olweus Bullying Survey that is administered to all students in grades 3 through 12 each year. The data gathered from this survey is used to assess the schools efforts in reducing bullying and helps each Bullying Prevention Committee identify areas within each school where improvement is needed. Once identified, the Bullying Prevention Committee is charged with defining strategies to reduce/eliminate the bullying behavior and to monitor the progress of their efforts over time. For additional information regarding the Olweus Bullying Prevention Program go to:

<http://www.violencepreventionworks.org/public/index.page>

Superintendent's Forum with the School Community

In order to continue providing opportunities to enhance communication at all levels within our school community, we are currently planning for this year's Superintendent's Forum. In October, information will be sent out inviting everyone to attend the Superintendent's Forum. The purpose of this gathering is to provide an informal setting for parents/guardians and the school community to learn more about all of the great things going on in our schools. The Forum also affords the school community an opportunity to ask questions and share their thoughts and concerns directly with the school administration. This is a great platform to share your ideas regarding our schools. More to follow...

Drinking Water Testing

This past May, in response to all of the health and safety concerns regarding the drinking water in Flint, Michigan, MSD of Boone Township, in partnership with the Town of Hebron's Water Department, conducted sampling of the water quality in Hebron Elementary and Middle Schools as a pro-active approach to school safety. We are happy to report that all sources of water in these schools are safe from lead and other contaminants that would be harmful to the health and well-being of our students and staff.

As always, if you have any questions, feel free to contact me at any time at (219) 996-4771, ext. 120.

Have a great school year!

ASSISTANCE AVAILABLE FOR LOWER-INCOME FAMILIES

Parents and students can obtain an application for free or reduced price meals at registration or on the schools website. You can check the income and household size chart below to see if you are eligible and if so, you are encouraged to apply.

Who can get free or reduced price meals?

- All children in households receiving benefits from SNAP (Food Stamps) or TANF, are eligible for free meals.
- Foster children that are under the legal responsibility of a foster care agency or court are eligible for free meals.
- Children participating in their school's Head Start program are eligible for free meals.
- Children who meet the definition of homeless, runaway, or migrant are eligible for free meals.
- Children may receive free or reduced price meals if your household's income is within the limits on the Federal Income Eligibility Guidelines. Your children may qualify for free or reduced price meals if your household income falls at or below the limits on this chart.

FEDERAL ELIGIBILITY INCOME CHART for the 2016-17 School Year

Household size	Annual	Monthly	Twice per Month	Every Two Weeks	Weekly
1	\$15,444	\$1,287	\$644	\$594	\$297
2	\$20,826	\$1,736	\$868	\$801	\$401
3	\$26,208	\$2,184	\$1,092	\$1,008	\$504
4	\$31,590	\$2,633	\$1,317	\$1,215	\$608
5	\$36,972	\$3,081	\$1,541	\$1,422	\$711
6	\$42,354	\$3,530	\$1,765	\$1,629	\$815
7	\$47,749	\$3,980	\$1,990	\$1,837	\$919
8	\$53,157	\$4,430	\$2,215	\$2,045	\$1,023
Each additional	\$5,408	\$451	\$226	\$208	\$104

NO CHILD LEFT BEHIND NOTICE TO PARENTS

As a parent/guardian of a student in the MSD of Boone Township, you have the right to know the professional qualifications of the teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

1. Whether the Indiana Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
2. Whether the Indiana Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
3. The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
4. Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

If you would like to request any of this information, please contact the superintendent's office at 219-996-4771

MARKEL STUDENT ACCIDENT INSURANCE

Student accident insurance for the 2016-2017 school year is available for a fee to parents of students enrolled at MSD of Boone Township. Markel offers a broad range of accident products for K-12 schools.

Markel's contact information:

Phone: 1-877-444-5014

Email: Markel.info@sevencorners.com

Visit the Markel website for more information and to apply on-line. Website: <http://markel.sevencorners.com>

You can also access their site from any of the schools websites under "Latest News".

NURSE

**Important information from our nurse, Kris Hallberg
For incoming 6th grade students in August 2016:**

6th grade students this fall will need to have the following immunizations **BEFORE** the first day of school:

- 1 - Meningitis 1 - Tdap
- 2 - Varicella (chicken pox vaccine or history of disease)

For incoming 12th grade students in August 2016:

12th grade students this fall will need to receive their NUMBER 2 Meningitis Vaccine **BEFORE** the start of school. Proof of the second Meningitis Vaccine is due the first day of school. It is recommended to get your appointments made early. Immunization appointments fill up quickly through the summer. It is not too early to get them taken care of now.

**2016-2017 School Year IN State Department of Health School
Immunization Requirements**
(Updated November 2015)

PRESCHOOL (ages 3-5)

- 3 Hep B (Hepatitis B)
- 3 Polio (Inactivated Polio)
- 1 MMR (Measles, Mumps, Rubella)
- 4 DTaP (Diphtheria, Tetanus & Pertussis)
- 1 Varicella

Kindergarten thru Grade 2

- 3 Hep B
- 2 MMR
- 5 DTaP
- 2 Varicella
- 4 Polio
- 2 Hep A (Hepatitis A)

Grade 3 – 5

- 3 Hep B
- 2 MMR

- 5 DTaP
- 2 Varicella
- 4 Polio
- 1 Tdap (Tetanus & Pertussis)

Grade 12

- 3 Hep B
- 2 MMR
- 2 MCV4 (Meningococcal conjugate)
- 5 DTaP
- 2 Varicella
- 4 Polio
- 1 Tdap

Porter County Health Dept. Information Children's Immunization Program

This program provides childhood vaccines to children 0-18 years of age. We continue to offer vaccines to all children regardless of their insurance status.

We vaccinate:

- Uninsured children
- Underinsured children
- Children insured by a publicly funded program (Medicaid, Hoosier Health Wise)
- American Indian and Alaskan Native children
- Children insured by private insurance (whether it pays some or all of the fees for vaccination)

To schedule an appointment, please call:

- **Valparaiso Office: 219-465-3525**
Porter County Administration Building
155 Indiana Ave., Suite 104 - Valparaiso, IN 46383
- **Portage Office: 219-759-8239**
North County Gov't. Complex
3560 Willowcreek Rd. - Portage, IN 46368

Visit the Porter County Health Dept. website at
www.porterco.org

RETIRING Staff -

The Elementary said fare-well to fourth grade teacher Mrs. Chris Robbins at the end of the 2015-2016 school year. Mrs. Robbins decided to retire after 40 years in education (38 at Hebron). We also received exciting news in June that Mrs. Robbins won District Two "Educator of the Year" through a program with the American Legion! Congratulations! We will miss Mrs. Robbins and wish her all the best in her retirement.

NEW Staff -

Ms. Katelyn Mershon will be starting this fall as the High School **Family and Consumer Sciences** teacher. Ms. Mershon completed her Bachelor's Degree in Family and Consumer Sciences Education at Purdue University in West Lafayette, Indiana. She is excited to teach at Hebron High School.

Mrs. Erin Charpentier will be teaching 10th grade **English** at Hebron High School. Mrs. Charpentier has a Bachelor's degree in Secondary English Education from Indiana University. She previously taught 8th grade English at Colonel John Wheeler in Crown Point and is looking forward to teaching in Hebron.

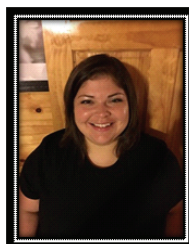

Mrs. Doretta Kurzinski comes to Hebron High School after 8 years teaching **English** at Valparaiso University. Mrs. Kurzinski completed her Master's Degree in English and received a certification in Teaching English as a Second Language from Valparaiso University.

Mr. Joe Villani is a recent graduate of the Purdue Calumet teaching program, who will be beginning his first year teaching in the **English** Department at Hebron High School. Although this will be his first official professional teaching position, Mr. Villani has spent the past eight years working locally as a music instructor with students of all ages.

Mrs. Lisa Beehn will be starting in the fall as the new elementary **music** and middle and high school **choir teacher**. Mrs. Beehn has been teaching music for 7 years at Knox Community Elementary but is excited to start her new adventure here, as a Hebron Hawk!

HIGH SCHOOL NEWS - *Mark Lutze, Principal*

Eighty-two graduates walked across the Hebron High school stage to receive their diplomas at the end of the 2015-16 school year. Their accomplishments are a tribute to their hard work as well as the support that they have received from the entire community. Over 35% of the graduates received an Academic and/or Technical Honors diploma, 55% earned college credit while still in high school, and over 30% of

the students were able to take vocational courses through the Porter County Career center while still attending classes at HHS. As they were being handed their diplomas, the students' plans for next year were announced. It was clear that the personalized education that they had received, prepared them to take advantage of a wide variety of experiences as they continue to college and careers.

As students walk down the halls of Hebron High School this fall, there will be a number of different names at the classroom doors, and more classrooms will be occupied. Based on the success of the referendum, the MSD of Boone Township was able to restore two lost teaching positions and one department. After examining the results of a student survey given in the fall, the high school administration recommended to the superintendent and school board that the Family and Consumer Science program be reinstated. This fall students will once again be able to take courses such as Nutrition and Wellness, Interpersonal Communications, and Child Development. Because some of the courses are recognized as training for workforce needs, the district qualifies for funding that will help offset the expense for the classes. We are excited to have Katelyn Mershon (see accompanying biographies) as our new FACS teacher.

Ms. Mershon will be joined by other new teachers, Doretta Kurzinski, Erin Charpentier, and Joe Villani, all members of the English department. They bring with them a variety of experience that will ensure that students will continue to receive the quality instruction for which the department has gained a reputation throughout the state. Lisa Beehn will be the new choir teacher for the high school. We welcome all of our new teachers to the school.

Student and parent feedback has played an increasingly important role at Hebron High School. The staff has solicited opinions through a variety of approaches, and the resulting information has been valuable. In addition to curriculum offerings, suggestions have helped us improve parent and student communication, instructional practices, and the daily class schedule. We appreciate parent and student input when important decisions are made.

Mark Lutze, Principal

MIDDLE SCHOOL NEWS - *Jeff Brooks, Principal*

Hebron Middle School has so much to be proud of as we reflect on the past school year. We were able to celebrate Mr. Pastrick as a finalist for the National LifeChanger of the Year Award sponsored by the National Life Group. Our National Junior Honor Society continues to be a leader in the community and around the state with the many service projects that give back to the community. The Science

Olympiad Team qualified for the State Championship in Bloomington for the second time! We also had great success in our athletic programs with our Cross Country teams and 8th Grade Boys Basketball team winning championships! We are very proud of all of the accomplishments during the 2015-16 school year.

The 2016-17 school year will see a change in our Choir Department as Miss Gorski has left Hebron Middle School to explore other opportunities in music education. Mrs. Lisa Beehn was recently hired and will be our new K-12 Music and Choral Teacher. She will be directing the Middle and High School Choir programs, along with teaching music at the Elementary. Mrs. Beehn is a Hebron resident and has taught Music in the Knox Community Schools for the last seven years. We would like to welcome her to the Hebron Middle School Staff!

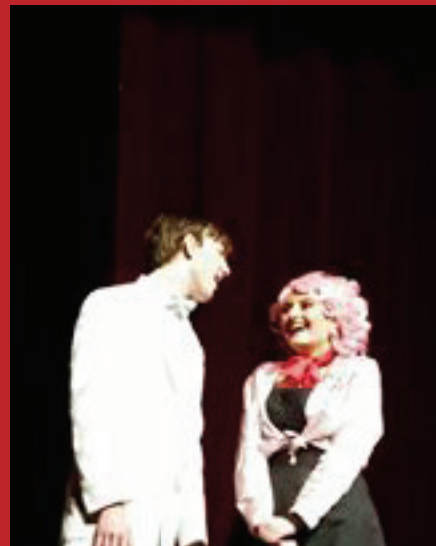

We are looking forward to many exciting opportunities during the upcoming school year. This all starts with the Hebron Middle School Open House on Monday, August 15th. The open house will start in the gymnasium at 6 pm. Parents and students will then have an opportunity to meet their grade level team teachers, walk the halls, open their locker and see their classrooms. We will finish the night with an ice cream social.

Hebron Middle School students will all be issued a chromebook on the first day of school. Teachers have been preparing this summer by attending the Google Apps for Education Summit in Illinois and several e-Learning workshops around the state. We will also be hosting a Parent Technology Night early in the school year to give parents the tools necessary to help your child be successful this school year. Information about this education night will be announced at our open house.

Please be looking for an email regarding online registration at the middle school starting the first week of August! We are excited to offer the opportunity again for parents to register your child online. You will have an opportunity to sign forms, change demographics, pay textbook rental and get your student's schedule for the year. A link will arrive in your inbox the first week of August.

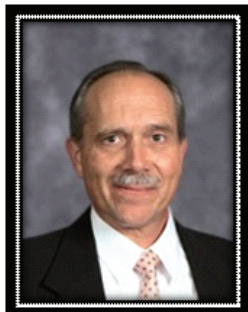

I hope that everyone takes advantage of the last few weeks of summer and I hope to see everyone here for the Middle School Open House on August 15th!

Jeff Brooks, Principal

ELEMENTARY SCHOOL NEWS

Jim Martin - Principal

Earlier in the 2015-2016 school year, we recognized 23 third grade students for obtaining a perfect score (650) on the Indiana IREAD-3 Exam. Congratulations to the following students who obtained a perfect score: Emma Benetich, Lucas Charpentier, Savannah Davis, Addison Dujmovich, Matthew Fischer, Adam Gill, Bruce Hallberg, Addison Head, Lauren Hernandez, Steven Larsen, Wyatt

McCarty, Lauryn Norris, Dominic Piunti, Eleanor Reynolds, Maya Smith, Spencer Spinks, Keira Stokes, Iris Stranc, Lauren Summerville, Oscar Torres, Bailey Tucker, and Aiden Whitaker.

Our 5th grade teachers are excited as all of our 5th grade students will be learning more through the use of technology. They will be using Dell Laptop computers that were passed down from the Middle School. Each student will have their own laptop to use during the school day. Our 5th grade teachers will also be introducing a new digital citizenship curriculum for all students so they can learn digital literacy and citizenship skills. This will help our students to think critically, behave safely, and participate responsible in our digital world.

Through donations from the Wrong Way Square Dancers, we have purchased new "Buddy Benches" for our primary and intermediate playgrounds. The benches match the color (blue) of our staff anti-bullying shirts, which reads "Be a Buddy, not a Bully". The "Buddy Bench" is a simple idea to eliminate loneliness and foster friendship on the playground. In the fall, we will explain our students the goal and purpose of having the benches on our playgrounds.

We will notify parents in July when the on-line registration through Harmony will be open. Parents can save quite a bit of time by completing this information prior to coming in for back to school

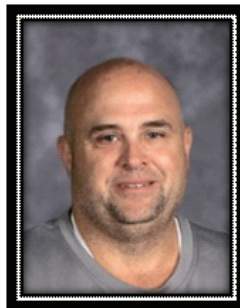

registration on August 8, 9, and 10. (Parents who have not completed the on-line registration process prior to the August registration dates will be directed to the computer labs upon arrival before being able to proceed).

Our first student day will be on August 17th. See you soon!!

Jim Martin, Principal

ATHLETIC NEWS - *John Steinhilber, AD*

The Hebron athletic department would like to thank the community and businesses for their tremendous support of our athletes and coaches. Please visit our web site: <http://gohebronathletics.com/> where you will find updated scores, alerts, and announcements daily. We encourage you to sign up for alerts.

While we are looking forward to a great 2016-2017 school year, here are some of the accomplishments from the past year:

High School Athletics

Fall

- Boys Soccer advanced to the Sectional Finals
- Girls Cross Country teams were regional qualifiers

Winter

- Girls Basketball advanced to the Sectional Finals

Spring

- Baseball - Regional Champions and Final Four participants.

Middle School Athletics

Fall

- Girls Cross Country PCC conference champions
- Girls Cross Country won the PCC for the 15th time in a row

Winter

- 8th grade boys basketball PCC tournament champions

Porter County Conference Mental Attitude winners:

Payton Schatz Cross Country
Bri Spicer Softball

Hebron High School and Middle School announces Fall 2016 practice start dates:

High School Cross Country	August 1st	7:00 - 8:30 am
High School Boys Volleyball -	August 1st	3:00 - 5:00 pm
High School Girls Volleyball -	August 1st	5:00 - 7:00 pm
High School Girls Soccer -	August 1st	5:30 - 8:15 pm
High School Boys Soccer -	August 1st	
	1st practice:	10 :00 - 11:30 am
	2nd practice:	5:00-7:00 pm
Middle School Cross Country -	August 1st	8:30 - 10:00 am
Middle School Baseball -	August 1st	4:00 - 6:00 pm
Middle School Volleyball -	August 15th	4:30 - 6:30 pm
Middle School Softball -	July 25th	6:00 - 7:30 pm

All students must have a physical, handbook form and concussion protocol forms completed and on file before they may participate in practice.

Forms are available online via our web site:

<http://gohebronathletics.com/>

Attention Parents!

Our Athletic Department has two booster clubs that support our students. Volunteers are always welcome!

Hebron Athletic Booster Club – Contact Mary Sue Sheets for more information at 219-996-4771 ext. 119

This club has recently purchased an International Scout utility vehicle for the Athletic department, backboard lighting, time clocks in locker rooms, and new volleyball standards. This club is in charge of our high school concession stands and offers scholarships to students when their parents work our concessions.

Hawk Athletic Booster Club – Contact Carol Wallace for more information at 219-996-7215.

This club has recently purchased the outside signs displayed at our baseball field, softball field, and track. They also purchased stadium chairs for our middle school and high school gymnasiums. This group raises money by selling items such as cookies at our home basketball games and also works around most Hebron Community events selling items to support our Athletic programs.

Please help our students by joining one or both of these Booster clubs today!

John Steinhilber, Athletic Director
