Empty Bowls

Some 795 million **people in the world** do not have enough food to lead a healthy active life, according to the World Food Programme. That's about one in nine people on earth.

Empty Bowls in an organization that was formed for the purpose of helping to put an end to world hunger.

Hebron High School's 8th Annual Empty Bowls fundraising event will be held on Tuesday, February 21, from 4-7 PM in the HS cafeteria. There will be a variety of soups, complete with homemade corn bread or bread sticks, desserts, and refreshments. Music will be provided by our talented students in

the Applied Music class and our choir students; The Hoosier Recruits, and Hebron alumnus Justin King on acoustic guitar.

Of course, you will leave with a beautifully crafted handmade empty bowl to remind you of the evening. In addition, there will be a silent auction that includes many lovely, generously donated items. Plus, stay for the basketball game that evening against Winamac at 6 and 7:30pm where the student

council is sponsoring a 50/50 raffle! Join us for a great evening to benefit our local Hebron Country Food Pantry - tickets are now on sale and are also available at the door for \$10.00, and \$5 for children under 10.

Boys PCC!

The Hawks faced Westville this past Saturday with a hard fight in the championship game for the PCC title. They fought until the end but lost in a last second shot at the end of the fourth quarter resulting in the final score of 46-47.

The leading scorers for the night were seniors Kodi Cruise and Tyler Patrick. Our boys played a great game and it was a very exciting game to watch. Good job boys! Come support our Hebron Hawks this Saturday at Rensselaer, and best of luck on the rest of your season!

Parents of seniors, if you are looking for scholarships, check out studentscholarships.org, Indiana's leading source for finding scholarship money. It's a search engine that sends you scholarship possibilities that match your profile. Contact the guidance office to check out some of the scholarships they have to offer.

Girls Basketball

The Hebron Lady Hawks are currently 15-7 leading into their sectionals. They went 6-1 in the Porter County Conference during regular season. The Lady Hawks played against the Lady Satellites in Knightstown on January 7 in the "Hoosier" gym to secure Round Robin Champions. Katlyn Cherry had a buzzer beater 3-pointer that sent the game into overtime. They were super excited about their draw for the conference tournament drawing Westville first round at the PCC banquet on January 8. Westville

is the only conference team they have lost to and they got their redemption. They had a heart aching loss to the lady tigers in the second round. The girls junior varsity team won the first round of their PCC tournament against the Lady Senators. The Lady Hawks drew North Judson first round for the sectional draw. Senior night for the Lady Hawks is January 27 against Hammond Gavit. Sadly we will be losing two seniors this year who are a great leaders on the team: Cayla Rokosz and Mia Riese. We wish the girls well in their future plans!

Congratulations to Mia Riese who was awarded the James W. Dold *Mental Attitude* Award! Well deserved, Mia!

Boys Wrestling

This year the wrestling program is starting over with a few returners. The wrestlers are excited to say that they were on television in Iowa. The link to watch the broadcast is <https://youtu.be/ErwwCxZp5XY>.

They have also been on a iHeartradio station on January 7. Senior night was this past Tuesday **beating opponent

River Forest. The team will sadly be losing senior Raul Fierro after the season is over. The Hebron Wrestling GSSCC Conference championship took place on January 14 where Ewan made all conference at Hanover Central. January 28

your wrestlers will be competing in the Crown Point sectional.

NHS

National Honor Society would like to thank everyone who purchased Albanese stocking stuffers from our members in December. The proceeds have been put towards materials to make blankets for women who reside in the Valparaiso Shelter. The blanket making process will be in progress this month, and our members along with any other students who would like to participate will meet in the library during SRT and be given materials to make a blanket during that time. We

plan to have a blanket made for each woman in the shelter; no one will be left out. In upcoming news, we have the 8th Annual Empty Bowls Fundraiser approaching us on February 21, 2017. Please take the time to drop in and enjoy a bowl of soup for a good cause. There will also be a silent auction for the public to participate in and live music. Net proceeds go to the Hebron Country Pantry. As always, National Honor Society members will be on the scene helping out with the fundraiser. See you there!

Congratulations to senior Annabell Folsom, who saved a fellow friend and vocational student from Chesterton. She performed the Heimlich maneuver that she had just learned in her vocational class the prior week! Great quick thinking, Annabell! You are our hero!

Kiner's Corner

You may have something we need: used name-brand toner and inkjet printer cartridges. Hebron High School has partnered with [FundingFactory](#), so we can turn your recyclables into money for our 1:1 Initiative. As many of you know, there have been quite a few issues with the Chromebooks that are of no fault of anyone. With your cartridges, we can sell them to Funding Factory and they will pay us for what they receive. Then we can buy the parts we

need to fix the devices that you use every day. Ever get a loaner because you're having technical issues with your own, only to find out that it is as well? Help us, help you! **Will you please recycle alongside us? It's easy to do and 100% free!** Simply find the recycling boxes located around the school and drop them off. We'll take care of the rest! So, talk to your family, friends, and neighbors about this exciting new program. As always, if you have a question, just ask!

Yearbook Valentines

The yearbook staff is selling Valentine's Day deliveries of suckers and carnations for only \$1 until Feb. 1! Send someone special a Valentine sucker or carnation this year.

They will be hand delivered to any student in the elementary, middle or high school on February 14. Contact any yearbook or newspaper staff member to arrange to have one for your sweet student!

This newsletter is written, edited and published by the students of Mrs. King-Licht's Principles of Business class. If you have content you would like to add, please email kingl@hebron.k12.in.us

Cheer

The cheerleaders have been super busy trying to make this year's PCC the best! The theme for this year's cheer block was "Toy Story". They had been painting a run thru and many other props for students to hold and decorate the section. Students were encouraged to dress as "Andy's Toys". This year Hebron was in charge of coaching the PCC all star team. Mackenzie Lloyd and Bri Fieser were selected to represent Hebron on the team. Lloyd and Fieser have spent hours

preparing the cheer and dance for all of the all star cheerleaders from each team to perform. Each conference team has two cheerleaders selected to be in the routine. Everyone has come to Hebron to practice and learn the routine. Coach Sterk and Coach Hefner would like to thank Bri and Mackenzie for their dedication and all of their hard work. We would also like to thank our pep block this year! You guys are doing an amazing job!

Dance

The Hawkettes are having a great season and while they are already improving their team scores, many girls are improving individual solo scores too. They prepared a Toy Story themed routine to perform during the PCC Tournament

game on Wednesday, January 18th that proved to be very entertaining! Their next competition is at Lake Central on February 4th. Following is a competition at Rossville on February 11th. Dance on, Hawkettes!

Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

Hebron High School Vision Statement

It is our vision that all graduates of Hebron High School:

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

To ensure our vision we shall:

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
