## Boys Volleyball

What an exciting end to the boys volleyball season September 29 as the varsity team took PCC Tournament championship with a record crowd cheering them on. The junior varsity team finished with a record of 11-3. Varsity completed a perfect season of 15-0 and also finished as the PCC Round Robin champs. Seniors Carson Roeske, Peyton Doelling, Jacob Wilison, Trey Wolverton, and Steven Miskus earned PCC All-Conference honors and will all be missed next year. Congratulations to both teams on terrific seasons!

## Run, Connor, Run!

Big congratulations go out to junior Connor Nuestr who is set to run at semi-state for the second consecutive year! Connor also achieved all-conference honors, making this a very memorable year for him! Come on out to New Prairie this Saturday and help cheer him on! Best of luck, Connor. You make us all proud to be a Hawk!

## Parent Teacher Conferences

High School parent teacher conferences are right around the corner. Mark your calendars for Tuesday, October 24 from 3-6:30 at the high school, 509 S. Main Street, Hebron, Indiana 46341. You are welcomed and encouraged to schedule your student's conference time by contacting Mrs. Clemens at 996-4771 ext. 118, or you are always welcome to come right in that night to talk to individual teachers as they are available. We look forward to seeing you!

## Girls Soccer

The Lady Hawks Soccer had an amazing season, finishing with an 11-6-1 overall record. The season ended with a 5-4 loss in overtime to the Boone Grove Wolves in the Sectional Semi-Finals. The team did break a scoring record with a total of 69 team goals, and Katlyn Cherry also broke the individual scoring record with 21 goals. Congratulations to Katlyn Cherry, Zoe Parsons and Allison Hano who earned PCC All-Conference awards. Thanks for a great season, girls! Best of luck to seniors

Jessica Popp and Shannon Shultz on your future plans, you will be missed!

## Boys Soccer

The boys soccer team had a lot of ups and downs on a 5-12 season. They beat Kouts in the annual cleats rivalry for the seventh time in a row, and Noah Dattilo and Peyton Doelling both broke individual season records. Dattilo scored 40 goals this season and Doelling had 26 assists. They had a hard fought game against Andean in the first round of sectionals, but fell short 2-5. The score was 2-3 until the last ten minutes, then Andean scored two quick goals to seal the win. Noah Dattilo scored both goals and Taylor Wiegman and Peyton Doelling each had an assist. Thanks boys for the great season!

## Boys Cross Country

The beginning of this year was a little rough for the cross country boys but recently they have done very well. They had some success with their fourth place finish at the New Prairie invite. On October 7th, the boys took 6th place at the Crown Point sectionals, but had many runners make it to regionals. Congrats to Connor Nuest, Ty Maldonado, Alex Lyons, Jacob Poradzisz, Jacob Stewart, and Noah Weaver for making it to Regionals, and extra best wishes to Connor for qualifying for state!

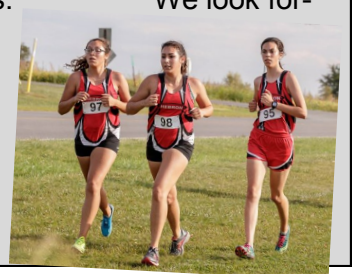

We will miss the seniors next year: Alex Lyons, Corey Wallace, Kyle Wallace, Vito Creighton, Johnnie Fry, and Ty Maldonado. Best of luck, boys!

## Girls Cross Country

The 2017 girls cross country team had a great season this year. They started the season with some losses but have recently stepped it up and became extremely successful. They, like the boys, took sixth at the 2017 Crown Point sectionals and had six of their runners advance through to regionals. Congratulations to Madison Elijah, Nikki Schmidt, Alyssa Rokosz, Ellie Wagoner, Kyana Maldonado, and Riley McCullough for making it to regionals.

We look forward to seeing you next year and wish senior

## Girls Volleyball

The girls volleyball teams had a very fun and exciting season, where there were some very close games. But most importantly, many of the girls improved and had lots of fun. Grace Moore made the all-tournament team at two different competitive invites, and Bri Fieser was awarded honorable mention for all-conference. Congratulations, girls! This year's seniors are Bailey Jones, Brianna Fieser, Jodi Champion, and Grace Moore. The fans and the team will miss them tremendously and wish them the best of luck. We are all very excited to see what next season will bring!

**The high school fall athletic program will be on Wednesday, October 25, 2017 at 6pm in the auditorium. ALL FALL ATHLETES are expected to attend, if there happens to be a scheduling conflict, please notify Mrs. Spurr to avoid forfeiting your award. Remember, you are to wear appropriate clothing - no jeans or t-shirts, please.**

## BPA News

BPA is having another record setting year with memberships up 11 over last year bringing our grand total to 40 members! That means a lot more competition, a lot more success and a lot more fun! To kick off this year's activities, BPA is hosting a Reduce, Reuse and Recycle Re-sale and we are asking for your donations! Do you have any unwanted items just taking up room in your closet or garage? Load them up and drop them off to Mrs. King'-Licht's room before or after school. We have a great start with some very awesome donations, but we still need much more to make this the super successful event we are striving for! If you have any questions, please email them to the Business Principles of Business class, @ bpaclass201718@gmail.com, or ask any member of the class or Mrs. King directly. Funds will be used to send members to the State Leadership Conference in Indianapolis. Thank you for your support! See page seven of this publication for more information!

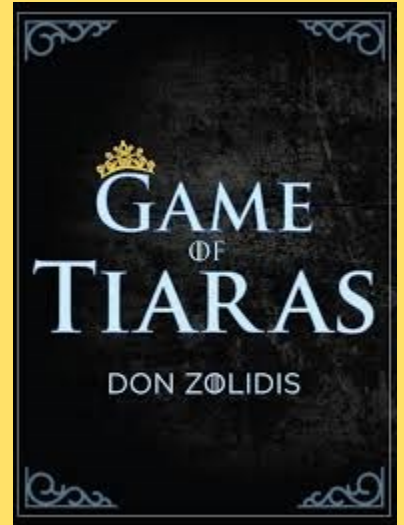

Good luck to the HHS Spell Bowl team which is going to its second invite on Monday, October 23, and then the area competition a week later on October 30, both at Kouts High School. Spell us P-R-O-U-D.

**Good luck is  
the result of  
hard work and  
preparation.**

## Drama Production

Come on down November 9-12 to see the Hebron High School production of Game of Tiaras. The times are Friday and Saturday at 7:00 PM and Sunday at 2:00 PM. Written by the same people who brought to you the Brothers Grimm Spectaculathon, you will be sure to enjoy the drama production comprised of 30 members of narrators, princesses and a large amount of supporting acts. The play ranges from dark humor to stupid humor and also regular daily life humor. The students and members of Hebron Drama's Thespian Chapter have worked hard to bring to you a terrific show that you won't want to miss. So be there or be square!

## Art Club

Art club held its annual pumpkin carving party on Thursday, October 19, 2017. Approximately 15-20 art club members were in attendance snacking on refreshments and carving some very unique designs on their pumpkins of various sizes and shapes. Fun and laughter filled the room as members enjoyed each other's company. Some pictures of the finished pieces shown.

# National Honor Society

The 2017 National Honor Society inductions were held on Wednesday October 11, in the Hebron High School auditorium. New members celebrated are: sophomores Kyana Maldonado, Ellie Wagner,

Abigail Smith, Mackenzie Hines, Allison Betts, and Emma Slusser. NHS will participate in the upcoming Haunted House during fall break, with many more service projects in the works. Congratulations to the inductees, and stay tuned for information on our next projects!

# Kiner's Korner

Join us in the media center for Maker Monday! This year, the media center has launched a DIY space called Makerspace, which will be held on red Mondays during the second half of SRT. What is Makerspace, you ask? It's all about you! It's your chance to discover, build, create, invent, and learn. Your chance to be innovative and creative!

In the first Maker Monday, October 16th, students participated in a candy dissolve. Participants made a hypothesis about which liquid would dissolve an M&M and Skittle first. There were three liquids to choose from: vinegar, milk, and

water. Vinegar won out, with milk coming in last. Next, they put their hypothesis to the test! While vinegar started out strong, water was actually dissolving it quicker after nearly 15 minutes. Milk surprised us all as it did start to chip away the color of each candy. Overall, M&Ms dissolved quicker. One participant mentioned he was surprised how much the water dissolved the M&M. So, that left us all to wonder, just how much damage does water really do and in how much time? Interesting...

For opportunities to participate in upcoming Makerspaces, please see Mrs. Kiner.

**To kick off Red Ribbon Week, we are announcing the following dress up days:**

- Monday, October 23: Flannel Day (wear your favorite flannel)
- Tuesday, October 24: Dynamic Duo Day (like Batman & Robin)
- Wednesday October 25: Red & White Day

**Those dressed up for Red & White Day will be counted towards homecoming class points. So, let's see your school spirit!**

# Guidance and Scholarships

- PNW is hosting an open house at their Hammond campus on November 11 from 9 am - 1:30 pm. You can visit their website for more information and to register for the event.
- Seniors, the United Way is offering help in filling out the FAFSAs and Ivy Tech is hosting College Goal Sunday for help with the FAFSAs. Check your email from Mrs. Ovanek for information about both of these programs.
- Seniors, Ivy Tech is hosting its Go Ivy Day next Thursday from 9 am to 1 pm. This day is a chance for high school students to visit campus, meet with faculty, and discuss financial aid and admissions requirements with an adviser. Check your email or stop by the guidance office for more information.

## Scholarship information:

- There is a scholarship opportunity available in the office for any senior who is planning on going to college to become a teacher in Indiana. The Next Generation Hoosier Educator Scholarship provides \$7500 a year for four years to recipients. Stop by the office for more information. Applications are due November 30.
- Seniors, there is a scholarship opportunity available in the office through First Trust Credit Union. They are offering two \$1000 scholarships, one for those students pursuing a bachelor's degree, and one for those students pursuing an apprenticeship, certification, or associates degree. Stop by the office for more details or check out the school's website under the Guidance Department link.
- There is a scholarship opportunity available in the guidance office from the Elks National Foundation. Scholarships range from \$1,000-\$12,000 and are awarded based on scholarship, leadership, and financial need. Stop by the office or check your email for more details.

As always, check the school website for updates, deadlines, and more information.

# Reduce, Reuse, Recycle Re-Sale

## Reduce/Reuse/Recycle with BPA!

BPA wants to help save the earth and save you money! We will be collecting your unwanted items and having a sale to raise funds for our annual Business Leadership Conference in Indianapolis. So, instead of your gently used items taking up space around your garage or ending up in the dump consider donating them to us! And instead of going out to buy something new and paying full price, come to our sale and see if you can find it there! Together we can help save the earth! And you may just find a gem of your own! GO GREEN! And thank you for your ongoing support of BPA!

**Friday, November 10, 4-7 and Saturday, November 11, 9-3**

**Hebron HS Cafeteria, 509 S. Main Street, Hebron, IN 46341**

HEBRON NJHS PRESENTS THE 17TH ANNUAL AWARD WINNING SERVICE PROJECT

# PHOBIA

Haunted House  
Hebron Middle School

OCTOBER 26-28TH 7-9 \$5

KIDDIE NIGHT 27TH 3:30-5 \$1

FOR MORE INFORMATION  
visit:

[www.facebook.com/hebronhauntedhouse](http://www.facebook.com/hebronhauntedhouse)

You are cordially invited to the:

# Superintendent's Forum with the School Community!

**Date:** November 1, 2017

**Time:** 6:30 p.m.

**Location:** Hebron Middle School Library (Enter Door D)

The purpose of this informal gathering is to provide an opportunity for parents/guardians and the school community to meet with the superintendent and to learn more about the district-wide school safety initiatives that have taken place. In addition, attendees will learn more about the random drug testing program for high school students and the creation of an education foundation intended to expand the educational opportunities for all students and our staff.

The principals will also be present to respond to any questions regarding school safety in their buildings.

**We hope to see you there!!!**

**Dr. Nathan Kleefisch**

**Superintendent**

# A Special Note of Thanks!

We look forward to welcoming Mrs. Bush back to her position as Guidance Counselor next week. We would like to thank Mrs. Ovanek for doing such a fantastic job working with the students in her absence! Mrs. Ovanek, on behalf of all the students and staff at Hebron High School, we will miss you and wish you the best in your future plans!

## Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

## Hebron High School Vision Statement

### It is our vision that all graduates of Hebron High School:

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

### To ensure our vision we shall:

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
