The season ended with a good amount of positives including Noah Dattilo becoming Hebron's all-time leading goal scorer with 88 goals in total, and 19 this season. This puts him ahead of the previous record holder, Nick Surber by nine goals. He also had an impressive 33 career assists as well. In addition to Dattilo's amazing high school career, the other four seniors; Jacob Benjamin, Hunter Nikoloski, Taylor Wiegman, and Dustin Higgins all had a great season. Freshmen Matt Adamczyk and Logan Joseph both will play a key role in the future as well as a number of talented sophomores such as Luke Torres, Noah Tillema, Zach Molnar, and Owen Thomas. These guys definitely make up a team to watch!

Boys Cross Country

The Boys Cross Country team had an impressive season by placing 11th at the New Prairie Invite along with many other amazing team accomplishments. Three boys got All-Conference; Connor Nuest (2), Jacob Stewart (11), and Noah Weaver (15). Big congratulations to you all!

Dance

The Hebron Dance team this year is being lead by Coach Laura Lacher, who has coached dance in the past at Kouts Schools. Joining her and choreographing the dance team is returning dancer, Madison Sohaney. Although the dance team is starting tryouts late, they are looking for girls that are willing to work hard and be committed to the team. They had a call out meeting on Tuesday, October 9 to discuss some of the detail for tryouts. Tryouts were Saturday, October 13 at 8-10 am, and evaluations at 11am. Needless to say, many talented girls are very excited for this year's team!

Boys Volleyball

This year the boys volleyball team had a rebuilding season and finished with an overall record of 2-8. Senior, Matt Kubiak, was voted to the PCC All-Conference team and Senior, Josh Clemens, won the PCC Mental Attitude as well. Congratulations and best of luck to Josh Clemens, Jacob Benjamin, Matt Kubiak, Cole Wignall, and Christian Olsen who will all be graduating this year and will be missed. Great job to all the boys this season!

BPA News

The 2018-19 Business Professionals of America Hebron Chapter has begun the year with a record breaking 50 plus members, so we have high hopes for big things.

Mrs. King-Licht is offering her room and assistance to members on Mondays and Wednesdays after school to work on their events. For any members who have not paid their BPA dues or still need to turn in paperwork, please see Mrs. King-Licht as soon as possible.

December 8 will be the Regional Competition for BPA at Kankakee Valley High School, and we are working hard and looking forward to lots of winners so members can advance to the state competition in Indianapolis. Be on the lookout for upcoming fundraisers from the club, information will be released in the upcoming week. The entire membership would like to thank you for your continued support!

Art Club

Art Club is having a lot of upcoming events that our students are sure to enjoy. Now is the best time to join Art Club while all of these fun events are going on. The Art Club is selling all of their extra taffy apples during lunch so if you missed your chance on buying one, now is a great time. The money that is raised from this taffy apple sale will go to funds for the Empty Bowls group. The Art Club also has a lot of fun activities. For example, they will be carving pumpkins for Halloween next week!

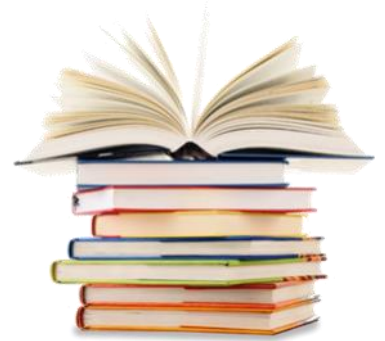

Drama

The cast and crew has been hard at work practicing, rehearsing, and building the sets for the upcoming play. The drama club is trying something new this year with having a double feature for their fall play. The two plays that will be performed by the drama club are 12 Incompetent Jurors and Appropriate Audience Behavior. If you're interested in seeing the new Hebron Drama Club productions, the plays will be performed on Friday and Saturday, the 9th and the 10th of November. A special thanks to Mrs. Beehn and Mrs. Bixenman for their hard work on training the cast and directing the play.

Kiner's Korner

We have added many new books to our collection this semester, so please come check them out! There is something for everyone. In addition, all new Rosie books have been displayed and ready to read to find this year's Eliot Rosewater winner!

In celebration of Teen Read Week this week, "It's Written in the Stars", there is a fantastic opportunity that is available to all high school students nationwide! Letters About Literature is a reading and writing contest that allows all students to read a book, poem, or speech and write to an author (living or deceased) about how the book affected them personally. This contest is made possible by the Dollar General Literacy Grant and Indiana's first place winner will go on to compete at the national level. If interested, please see Mrs. Kiner for details.

Band and Choir

The Hebron High School Band and Choir concert on Tuesday, October 16, was a joyous event. Mr. Thiel and Mrs. Beahn hosted the event and they both lead a great show. The choir started the night with a lovely selection of music, including an A capella. After a short Intermission and the announcement of the 50/50 winner, the band began their show. After both memorable performances were completed, the band and choir joined together in the singing and playing of the song American Heroes. This selection was a salute to all of our military veterans and those presently serving. We thank everyone who came to join us; we hope you enjoyed watching as much as we did performing!
