Suckers and Carnations	4
Guidance	5
Hawk's Nest	5
Make up days and e-learning due dates	6

Girl's Basketball

The Hebron Lady Hawks have had a great season so far. They have finished their regular season, at 15-7. Last night the Lady Hawks lost a nail biter in the PCC Championship game against South Central 53-52. Highlights of the season so far include senior night which was held on January 10th where the Lady Hawks beat the Westville Blackhawks 62-39. Honored that night along with senior band members were, Katlyn Cherry, Allison Hano, and Sara Keys. Many records have been broken this year including the All-Time steals record by Cherry who currently has 321. Cherry is also one of four female basketball players to score 1,000 points in her career. Hano broke

the all-time rebounding record is currently at 777 rebounds for her career. Hano also received the James W. Dold PCC Mental Attitude Award. Due to the weather the PCC Championship games was postponed until Thursday, January 24, and therefore cancelled the Lady Hawks last regular season game. The Sectional Draw was last Sunday and your Lady Hawks will play against the Boone Grove Wolves at North Judson at 6 p.m. Good luck to the Lady Hawks and Congratulations on a great season!

Valentine's Day Dance February 14!

Hebron High School students, do you have any plans for Valentines Day? Of course you do, if you are coming to the first Valentine's Day dance in several years hosted by BPA!

The Hebron Chapter of BPA is is holding a Valentine's Dance on Thursday, February 14th with all proceeds going to help the BPA State qualifiers go to Indianapolis in March, and National qualifiers to Anaheim in May.

The dance will be casual in dress, and **only \$5 to get in!** But that's not all! You also have the opportunity to enter in a competitive game of bags in which two lucky winners will each go home with a \$20 Zao Island game card! What a great way to celebrate the good weather we will eventually have! There will also be a free photo booth, and some raffles, drawings, baked goods, snacks and drinks available to enjoy while dancing and socializing. There might even be a chance to exercise your vocal chords with a little karaoke!

Come join us for a fun, casual and relaxing evening from 5-8 pm in the High School Cafeteria on Valentine's Day. As a bonus, it falls right before the make-up e-learning day and then a solid three day President's Day weekend! Bring your sweetheart, or bring a sweet friend. Out-of school guest forms are available in the office. See you all there! Told you you had plans!

Boy's Basketball

The basketball season is a little over its halfway point and the boys teams are still working hard. The varsity team competed in the first round of the PCC basketball tournament on Wednesday, January 16th. The boys lost a very tough game against Washington Township 60-55. The varsity team's overall record is 4-8 and 2-3 in conference play. The junior varsity team's overall record is 8-4 and 5-0 in conference play. Both teams have a conference game against Washington Township on Thursday, January 31st. We'd love to see you come out and support the boys teams as they finish out their season.

Cheer

The cheerleaders and lifters started off the month coming up with decorations and a floor cheer for the theme of "Pirates". They worked as much as they could between games and practices to make all the decorations for the pep block. They went to the same competition as the dancers and all their stunts hit and went very well. After the competition, the team kept at it making decorations and run out banners. On the first round, the theme was neon and sunglasses which was a huge success, plus the girls won. The cheerleaders then stayed for the next game and were asked if they could be go in the pep block for Washington, who happened not to have a great turnout that evening. We were then noted with a pin and some local press for our sportsmanship by the IHSAA.

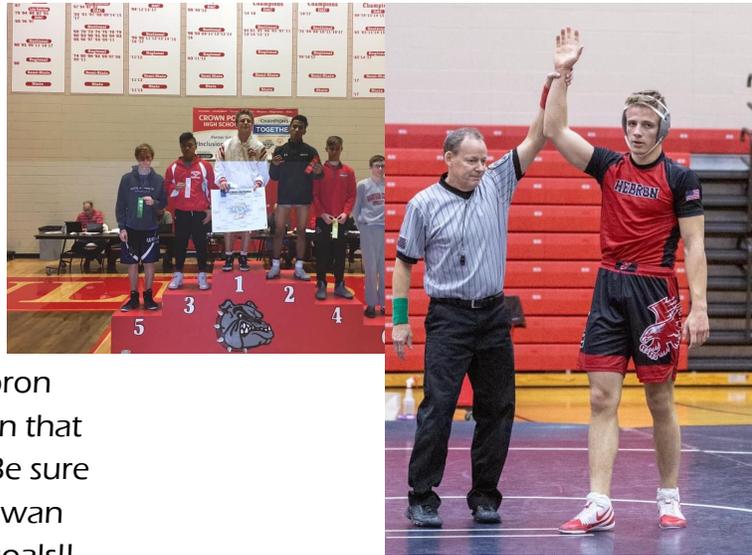

Up next was Wednesday, when the theme was Pirates and the pep block looked amazing with their great outfits, plus the awesome ship, the props, and the run out that the cheer team made. Unfortunately the boys lost. On the second round of the girls, the theme was country. Even more showed up and the crowd was amazing, plus the girls won. Onto the championship game, Alexis Rhoades and Zoe Parsons performed the ALL-STAR team during the girls half time. The cheerleaders and lifters were awarded sixth place and the pep block got third. Thanks to all who came out and represented Hebron so well with us!

Wrestling

The Hebron High School wrestling team has had a very successful season in 2018 and 2019.

The team had two wrestlers who made it out of the sectionals: Ewan Donovan and Matt Adamczyk. They both have very promising opportunities in going on to semi-state which would be the first time in Hebron history that we send two wrestlers on that far. Way to represent, young men! Be sure to show your support for Matt and Ewan as they journey towards their state goals!!

Dance

The dancers started at the beginning of the month to create the dance routine for the Pirate themed competition. They work several times a week to learn and perfect the dance. Towards the time of the competition they spend long nights perfecting it. Along with all of this they also performed at half times during the boys games. On January 12, the dancers performed at a competition at South Central High School. Congratulations to Tashanay Turner McBee who won a spontaneous toe touch contest during half time activities. On January 16, the team performed the same dance they created during the halftime of the boys game. At the championship game, Bella Vaupel and Claire Wiltfang performed during the halftime of the boys game as ALL-STARS. After the game, PCC announced who won from the competition and the dancers tied for first. They worked so hard and deserved it. Congratulations, Dance Team!

National Honor Society

Members of NHS have been busy making blankets for Valparaiso's Gabriel's Horn Homeless Shelter this month. They plan on distributing them in mid-February. In other news, the annual Domino's Pizza fundraiser will take place from February 25 to March 11. Be sure

to buy your items from any NHS member as all proceeds from the fundraiser will go to the family of Hebron Elementary fifth grader Jacob Porter to help to defray the extreme medical costs associated with his ongoing battle with leukemia.

Kiner's Korner

Come see the new books for this semester. Along with the new fiction and non-fiction books, we have added some books to our reference collection. If you love Rick Riordan's Percy Jackson Series, then *Percy Jackson's Greek Heroes* is a must have reference check out. Better yet, it is in Reading Counts too. So, come check it out today!

If you are struggling in your classes, this next reference series is for you! It can be your tutor on your time or if you prefer to seek help beyond peer tutoring. The four book series provides step by step instruction with tables and illustrations. Each book contains strands of each subject area. Biology, Chemistry, Physics, U.S. History, Government, Algebra, Geometry, Grammar, and Literature are just some of what is included in these reference books. So, if you are interested in this series, please stop in and check them out.

Just a reminder, it's never too late to become a 100 Points Club member. We only have 3 members in the club so far, with so many well on their way to becoming members. So, just keep reading and remember to *always read for the fun of it!*

Suckers and Carnations

Valentine's Day is right around the corner, and you know what that means—Hebron High School's annual Sucker and Carnation Sales! Every year, the Hebron Yearbook Staff holds this fundraiser to help raise money to make the yearbook the best it can be. This year's sale will be held from Jan. 28—Feb 11, and delivery will take place during SRT on Thursday, Feb. 14. You can purchase a sucker or carnation on Monday, Wednesday, and Friday in the elementary school lobby, or just find any yearbook or newspaper student, or e-mail Ms. Vendl. Both suckers and carnations are only \$1 each so you can be sure to let that special someone know you care.

Guidance and Scholarships

It's time to start testing again! ISTEP re-testing will be available on February 11th, with the sophomores taking their regularly-scheduled test two weeks later on February 25th. For anyone who has not passed, the ASVAB will be available starting January 22nd, occurring again sometime in April. For new students, freshmen orientation

will be February 11th, scheduling starting afterwards near the end of February. A reminder to seniors to fill out your FAFSA forms, as the cutoff is April 1st. If you'd like help in doing so, Ivy Tech in Valparaiso is holding College Goal Sunday on February 24th. For more information, please visit the Guidance Office if you are interested in attending. And as always, seniors should continue to check the Class of 2019 Google Classroom for more news regarding upcoming scholarships and college preparation offers.

Hawk's Nest

The Hawk's Nest School Store is here to lift your spirits and make your morning brighter with our delicious hot cappuccino that comes in five flavors! Especially festive and delicious at this time of year is the peppermint mocha flavor, but we carry other fan favorites including French Vanilla, White Chocolate Caramel, Classic, Double Mocha, and English Toffee! What's the best one? Well, it depends on who you ask, as everyone who's tried them has their favorites! We also have our delicious and comforting hot chocolate available! Each is just one dollar.

If you need a pick me up later, there's always the bottled water and maybe try one of our five flavors of beef sticks or even just a pack of gum. Each is also just a dollar. School supplies are always available as well, like new folders, pencils, notebooks and even ear buds.

Not sure what you want, but you are hankering for something? Check out our New Hebron Hawk's Nest School Store Website, where you can browse at your convenience and even order online during SRT and get your order delivered. Try it; it's fun and easy. You can access it by clicking on link below, or copying and pasting into your browser. It has also been emailed to all students and staff.

On behalf of all the BPA students and business classes, we thank you for your business and appreciate your support. Keep those suggestions coming, and we will do our best to serve you!

Making (brr...) History!

The week of January 28, Hebron schools were canceled from Monday until Friday, February 1. The cold weather set a record with the mercury dipping to -23 degrees and wind chill hitting -55. The cold and snow caused schools, government offices, and businesses to cancel all their regularly scheduled activities due to dangerous wind chill and travel advisories.

Normally, students only receive 48 hours to finish their work for e-learning assignments, but since there were so many days off in a row with no teacher face time, they will have until Monday, February 3 to turn in all e-learning work for this week. The only makeup day we will have will be on February 15 and will be an e-learning day. Although we loved the cozy and warm days in our homes, we are anxious to get back to our regularly scheduled programming.

Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

Hebron High School Vision Statement

It is our vision that all graduates of Hebron High School:

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

To ensure our vision we shall:

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
