## Wrestling History!

As the Hebron wrestling season comes to an end, we have many memories to look back on. The team had a very successful season having Matt Adamczyk, the first freshman to make it to semi-state and Ewan Donovan, being the first state qualifier in history. Both were very successful and have set the benchmark for what dreams are achievable here in the small town of Hebron. These two wrestlers have set and beat a multitude of records and will continue to inspire in the years to come.

The Hebron wrestling program had many firsts this season.

Freshman, Matt Adamczyk went with a record of 28-5 for the season. He was Hebron's first ever Freshman to win the GSSC Conference and first ever freshman to qualify to wrestle in IHSAA Semi-State. He was champion in his weight class for the Rensselaer Super Dual Tournament and the Valparaiso Super Dual Tournament. He was also Voted Wrestler of the Tournament by oppos-

ing coaches. The wrestling team cannot wait to see what Matt has in store! Everyone is proud of how much he accomplished as just a freshman!

Senior Ewan Donovan will be missed by plenty in the wrestling community. He's Hebron's two time IHSAA Semi- State Qualifier. He had back-to-back first

place wins in the GSSC Conference, the Crown Point Sectional, and the Crown Point Regional. He was first place in the Valparaiso Super Dual and the Rensselaer Super Dual. Also won first place at the Hanover Tournament and the Boone Grove Tournament. He now holds the Hebron Record for the Most Career Wins. To top it all off, he was the first Hebron

Wrestler to ever qualify for

The IHSAA State Tournament. During this he had an enormous amount of support from the town of Hebron, the athletic department, the team, his coaches, his managers, family, students and friends, and even other schools coaches. His high school career came to an end in Indy. All of the people around him are beyond proud of him!

## Cheer and Dance

---

---

Hebron Cheer and Dance teams performed for the last time of the season on Senior Night, February 22. Senior Tashanay Turner McBee was recognized

for Dance, and for Cheer, Alexis Rhoades and Jacqueline Cracco, along with lifter Nick Christ. The dancers performed during half time and Tashanay got to do a solo during the performance. At the end of the routine they got into a huge group hug. As for the cheerleaders, they performed after the first quarter and the third quarter. All the cheer/lifter seniors got to do stunts together and it was an amazing bonding experience for those involved.

---

---

## Boys Basketball

---

---

The boys basketball season is almost over and both teams are finishing strong. The junior varsity team has a record of 15-4 and is currently undefeated in conference play and on a 9 game winning streak. The varsity team has a record of 8-11 and they have won 4 out of the last 6 games. Senior night

will be on Friday, February 22nd and the seniors Josh Clemens, Matt Kubiak, and Malachi Lara will be recognized in between the junior varsity and varsity games. The varsity team will be participating in the IHSAA Sectionals on Friday, March 1st against the winner of North Judson and Boone Grove. All sectional games will be held at Winamac High School.

---

# Hebron Band

Jacob Stewart received a gold rating with distinction at the ISSMA State Solo and Ensemble Contest held at North Central High School in Indianapolis on February 23. "With distinction" means that he scored at the top of the gold rating scale. Kelly Koren also qualified for state by scoring a silver medal. We are all so proud of you both, and want to extend a big thank you for representing Hebron Band so well!!

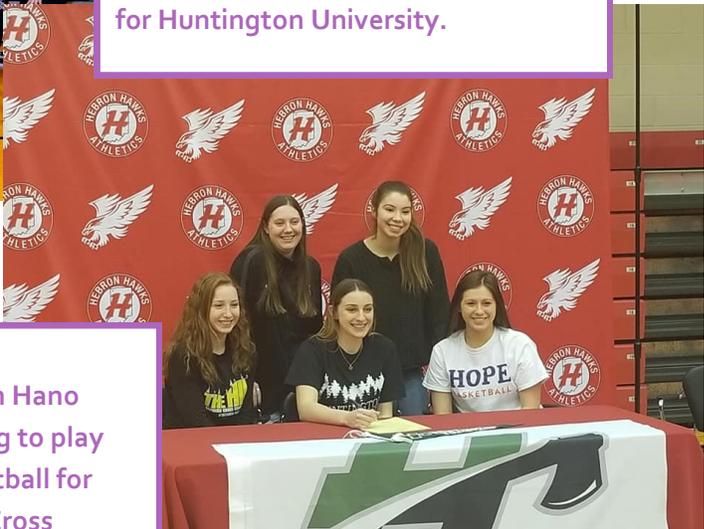

## Congrats on all the signs!

Katlyn Cherry signing on to play softball at Triton College.

Keri Kresich signing to play softball for Huntington University.

Allison Hano signing to play basketball for Holy Cross College.

## FYI...

The High School Winter Athletic Awards Program will be Wednesday, March 13th at 6:00 pm. All winter athletes are expected to be in attendance and dressed appropriately. We look forward to seeing you there!

**Reminder: The grading period ends Friday, March 15.**

## National Honor Society

NHS is now sponsoring a Comfort Closet for students in need here at Hebron High School. The program gives these students a place that they can access personal hygiene items, free of charge. “While these items may seem simple to some and even taken for granted, we want everyone to understand that these items may be a stretch for other’s budgets at home”, said Mrs. Kiner. “We want everyone to feel their best here at the high school”.

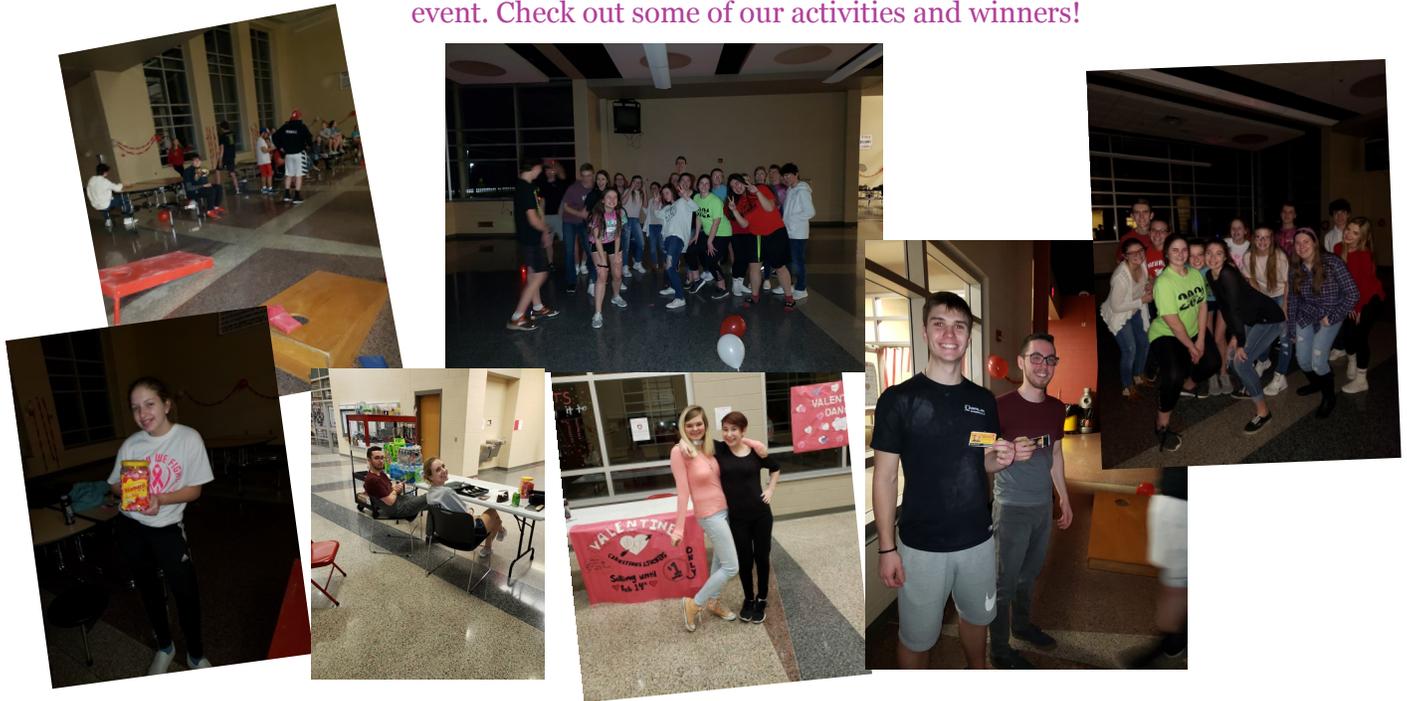

The Closet is stocked with shampoo, soap, toothpaste, and other personal hygiene items. If students need access to the Closet, they may go through Mrs. Clemens in the main office or Mrs. Sheets in the guidance office. All inquiries are kept anonymous.

NHS recently held a drive at the boy’s varsity game against North Judson on February 16th, so we could start the Closet. “The initial drive was enough to get it started, but we’ll always accept donations”, said Kiner. All donations can be made through the main office, Mrs. Kiner, or an NHS member. If you would like to make a larger donation of items, please contact Mrs. Kiner via email at: [kinerj@hebronschools.k12.in.us](mailto:kinerj@hebronschools.k12.in.us).

# Valentines Day Dance Memories!

Thank you to all who came out and enjoyed the Valentine’s Day Dance on February 14, sponsored by BPA. We all had so much fun and look forward to making this an annual event. Check out some of our activities and winners!

## Business Professionals of America

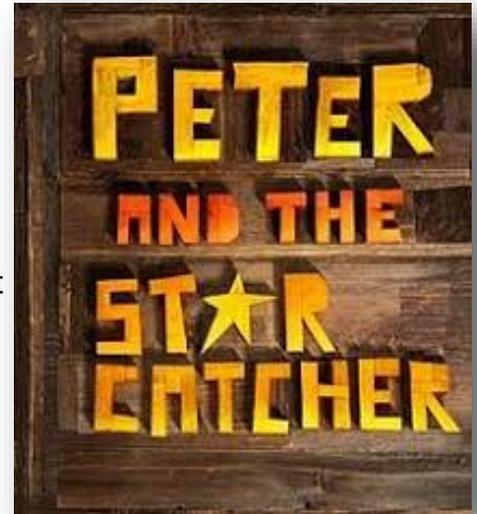

Our high school chapter of BPA is about to represent Hebron in a major way at the Business Professionals of America State Leadership Conference in Indianapolis, sending 29 students to participate! The event takes place on March 10, 11 and 12 where those students who placed in their contests at regionals are given the opportunity to enter into a more elite competition with those who placed in the other ten regions in the state. It is there that we see who among them can enter into the top tier and make it to the National Leadership Conference in Anaheim in May to compete with the best from throughout the country!

Other activities at the conference include speakers, a Hollywood Game Show night activity on Sunday, several breakout sessions, and a lot more fun hanging out with students and leaders from around the state. We wish them all luck, and will report back to let you know the exciting results! We would like to give a special shout out to Hebron Dairy Queen Grill and Chill for helping to sponsor our trip with a Dairy Queen night in February; we really appreciate your continued support!

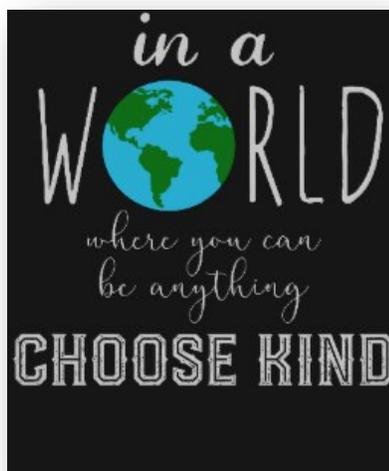

## Save the date, enjoy a show!

The Hebron High school drama club is proud to present **Peter and the Star Catcher**. The play will be on Friday, April 12 @ 7 p.m., and Saturday, April 13 with shows at 1 p.m. and 7 p.m. This will be the second production directed by Mrs. Beehn and Mrs. Bixenman, who are working hard with the cast to put together a quality production for the community. All of those who love Peter Pan would probably really enjoy this play. So save the date and bring your friends to see this amazing and entertaining show.

## Anti-bullying Effort

On February 19th, the high school junior and senior mentors performed in an interactive anti-bullying skit to try to raise awareness and help prevent bullying at Hebron High. The students performed scenarios of different types of bullying, then asked the audience for their opinions on how to stop or prevent that specific instance of bullying from occurring again. Several in the student body had great responses, yet one

student really got the crowd's attention. Tommy Johnson boldly stood up and shared some great tips that he has used himself throughout middle and high school. He captivated the whole audience with his thoughtful and heartfelt responses .

Thank you to Mrs. Kiner, the mentors, and everyone who participated in the convocation and conversation. It was a very worthwhile effort and we all appreciate it very much!

# NHS Raising funds for Jacob Porter.

## SLICE THE PRICE OF PIZZA®

### & Help Support Your Community

### & Hebron ES student Jacob Porter

Dear Friends:

This year we are selling Slice the Price Cards from Domino's to raise needed funds. These cards are a great value for anyone who LOVES pizza!

With the Domino's Slice the Price Card, you will receive a FREE large pizza with the purchase of a large pizza at regular menu price! If you only use the card once, you save more than the price of the card!

See an NHS member today!  
You may also contact Mrs. Kiner at [kinerj@hebronschools.k12.in.us](mailto:kinerj@hebronschools.k12.in.us) to place an order today!

Changing lives one pizza card at a time...

# Guidance/Scholarship Information

Just recently, a whole slew of scholarships have been added to the Class of 2019 Google Classroom, which seniors should always make sure to check as it is being constantly updated with new information and offers. The Indiana Sheriff's Association Scholarship is open to anyone interested in pursuing a career in law enforcement at an Indiana college or university. The Valparaiso Woman's Club is offering two \$500 scholarships for seniors in any Porter County high school. And finally,

the Impact Scholarship Award is available to any graduating senior of a listed Indiana high school who has already been accepted to an accredited college, university, or vocational school. Those aren't the only options, however. For many more scholarship options, or if you just want to find out more information, seniors should keep checking the Class of 2019 Google Classroom that is continually updated with new information. Consult Mrs. Bush with any questions!

## Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

## Hebron High School Vision Statement

**It is our vision that all graduates of Hebron High School:**

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

**To ensure our vision we shall:**

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
