Hebron Town Mural Unveiling

There are many ways to spend the fleeting days of summer, but few more meaningful and long lasting than what a talented group of art students did with theirs. Current and recent graduates including Ashlee and Lindsey Delph, Lauren and Tyler Marrie, Grant Giacomini, Ellie Wagoner, and Alex Suarez, along with the Janias (yes, that is Karen, our beloved art teacher who retired last spring and her very supportive husband Ken) have been busy painting the soon to be installed new Hebron Town Mural. They worked all summer, well over 1,000 hours, painting the historic mural. This is in addition to the planning and research that Mrs. Jania started last spring with her students.

In Mrs. Jania's words: "This small group of HIGH SCHOOL ART STUDENTS gave up their entire summer to paint the mural. A group of about six "regulars" came out at least three days a week and worked diligently, approximately seven hours a day. Some of the students had no previous painting experience but took on the challenge. These kids put their hearts, souls, and amazing talents into this artwork, and when the current students returned to school, former students came back to work on the mural. We have alumni returning giving up their weekends and evenings to get the mural finished. (And of

course, my wonderful husband has helped all summer as well! An electrician by trade, I'm thankful he had four years of art in high school!!)

I'm beyond words regarding how proud I am of these students. They went beyond what I ever thought possible and I'm so pleased with the end result. It's a beautiful, unique, and important piece of artwork that I hope the community appreciates and cherishes in the years to come. This small group of PUBLIC EDUCATION students put their talents and abilities - and their hearts - into the planning and rendering of this work. I was blessed to have worked with these students and "kids" (some are now approaching the age of 40!) over the past 19 years. It's a nice way of giving back to a community that gave me so much."

Mrs. Jania also added that Mr. David Centifano, our own Hebron gem, stopped by almost every day from day one to snap a few, pictorially recording the progression of the project. In addition, many members of the community were involved by providing historical insight.

The official unveiling celebration will take place on Saturday, October 26 from 10 a.m. to noon at the Northeast Corner of Sigler and Main Streets at the clock tower and will feature recognition of the artists, speakers, live music, snacks and drinks, and more information about the meaning behind the amazing mural. The public is invited. Please see the flyer located on page 8 of this publication with details about the event.

Girls Soccer

The Lady Hawks ended their season 10-4 with a tough loss of 2-0 against Rensselaer Central in the first round of Sectionals. In one of their last games of the season, they picked up a HUGE win against Covenant Christian 3-2, while Kylee Babiak, Rebekah Hays, and Zoe Parsons picked up goals for the Hawks. The season ended earlier than the Lady Hawks thought, which was tough for them. The seniors, Haley Rokosz, Zoe Parsons, Kyleigh Laska, and Allison Betts will be greatly missed next

year as the next soccer season comes around.

Boys Soccer

The Hawks had a season to remember, but sadly they lost in the first round of sectionals 3-0, to Hammond Academy of Science and Technology. Seniors, Peyton Syrovatka, Leonard Gonzales, Frankie Gonzalez, and Vince Uribe will not be returning next year, which will be difficult for the rest of the team. They may not have finished their season record how they wanted, but they did enjoy how they were cheered on by the school and more fans throughout their season.

Hebron Cross Country

Congratulations to Noah Weaver and Madison Elijah for placing in the top 20 at the Sectional meet held at Hebron on Saturday, October 12! Madison and Noah both ran strong races in spite of the day's windy and cold weather. Both runners will advance to Regionals this Saturday, October 19th, along with Jacob Stewart, Connor Williams, Axiel Rodriguez, Max Pastrick, Cody Noel, Ellie Wagoner, Sidney Elijah,

Kyana Maldonado, Hope Slusser, and Olivia Pastrick, who also qualified for

Regionals as individual runners. You made your coaches are very proud! The team would also like to extend a special thank you to our Athletic Director for hosting a great sectional meet

and to our parent and staff volunteers for ensuring it ran smoothly.

Girls Volleyball

The girls volleyball team is nearing the end of their season this year. They have two more games left this season with one being sectionals. Besides these two games, the girls currently have a record of 4-14. Although the girls have a losing record this year, they put up a good fight and we wish them the best of luck during their final games. The seniors of the girls volleyball team this year are Savannah Fisher, Allison Betts, Mackenzie Hein, Sammie Davies-Nudi, and Kelley Koren. They will be missed greatly and we wish them luck! It has been a fun season to watch this year!

Boys Volleyball

The Boys Varsity Volleyball Team won their first game in the PCC Tournament beating Kouts in 3 sets. They lost to Boone Grove in 5 close sets in the semi-finals of the tournament. The team improved throughout the season. They finished 6-8 taking 4th place in the Round Robin. Senior, Ethan Drook earned PCC All-Conference Honors. Stat leaders for the season were senior, James Fentress with 115 kills and 200 digs; senior, Ethan Drook had 255 assists; senior, Jake Friel served 93%; junior, Zachary Molnar had 36 block kills and 28 aces. We wish much success to David Steffan, Nathan Joyce, Jake Friel, James Fentress, and Ethan Drook as they graduate in June. We will miss you, seniors!

Choir and Band

On Tuesday, October 15th there will be a Hebron High School Choir and Band concert, which will be held in the Hebron High School Auditorium at 7:00 PM.

The Choir will be featuring some soloists including: Kelley Koren, Lillian Garcia, Cheyanne Trawick, Zoe Parsons, Emma Wynkoop, and Savannah Fisher. The drummer line from the band will perform with the choir for one of their foreign language songs. The concert is free to everyone, so don't forget to come out and support the Hebron Music students.

You can also help support the Booster's Kara Wilber Memorial Band Scholarship efforts by purchasing some of our fresh baked goods for sale. We appreciate your support and look forward to seeing you!

Spell Bowl

Currently, Spell Bowl is preparing for their upcoming senior competition at North White Junior Senior High School. It will be held on November 4th, meeting immediately after school. The team is practicing twice a week since early September with a list of over two thousand words. Some peculiar examples are perambulating, varicosity, and xerography. Although their words are challenging, they are learning new vocabulary every day and so it is a win no matter what. Best wishes to the team at their competition!

Hawk's Nest School Store

The Hawk's Nest School Store has two locations to serve you better. In the morning, we are conveniently located next to the main staircase at the entrance to the building. Stop by for a warm drink, a little snack, or that ever-elusive school supply, like that mechanical pencil, the notecards you keep forgetting, or an extra set of ear buds to keep in your locker for school use. We also want to you to be able to keep it fresh with our gum selection and mints that will get you through the day.

But you can also get all these things at the end of the business hall at our other location between classes! There, you might need to pick up one of our cold drinks or a even new folder. And if you're staying after school for practices, we have an amazing selection of snacks that are available especially for that time! Come on down, and we'll show you around the Hawk's Nest, where we're keepin' it fresh!

Business Professional of America

BPA is well underway for the school year with currently 44 members. Just a few members shy of last year's record shattering 48 members, it is still much better than

expected since 19 of last year's students were graduating seniors. We have elected the officers for this student-run club, and they are as follows: Co-Presidents, Kylee Babiak and Stephanie Hano; Vice President, Alyssa Stiener; Secretary, Madison Elijah; Treasurer, Jade Olsen; Historian, Alex Suarez; Parliamentarian, Luke Torres; Social Media Specialist, Brooklyn Brown; and Fundraising Coordinator, Maddie Kirby.

Officers are already planning for a two fundraisers: one coming soon working with Cookie Rookie just in time for the holidays; the other, a bigger and better Valentine's Day Dance! Last year was our first one, and it was so much fun that we are looking forward to doing it again! Stay tuned for all the details!

National Honor Society

National Honor Society kicked off October with their first meeting with this year's new members. We would like to congratulate all of these new members, and their inductions will take place on October 16th at 7 pm in the high school auditorium.

Plans for the annual Hebron Haunted House have been set into motion with Campfire Stories as this year's theme. We hope to see you there on October 24th, 25th, and 26th! See additional details on the flyer found on page 7 in this publication. Proceeds from the event go to the Angel Tree to buy presents for children at Christmas.

Kiner's Korner

The month of October is set aside in the library world for TeenTober. In years past, we celebrated Teen Read Week, but for the first time this year, the American Library Association has set aside a whole month to be dedicated toward reading and technology (which was usually celebrated in March as Teen Tech Week). With Halloween this month, we have some spooktacular reads on display, so come check them out. We also have the Doll in the Wall, hiding amongst the stacks. If you're lucky enough to find him hanging out, you'll get a special treat

from Mrs. Kiner.

To help celebrate the month, we also have the grand re-opening of our used bookstore, under the new name of Hebron Bookcase. It's been a few years since it's been open, but promises to be loaded with some good books, we think you'll enjoy! Come check out our opening on Friday, October 18th before and after school. We will be open every day, with the exception of late start Wednesdays, before and after school, until 3. We hope to see you there! Until then, keep reading!

Drama

Clear your calendar, because coming to the Hebron High School auditorium is the musical-comedy Annie! This is brought to you by the Hebron High School Drama Club. On December 8, and 13 through 15 you can come and witness the wonderful acting of the kids of Hebron. This show has a cast of over 60 kids from the Hebron Elementary, Middle, and High School. Reserved seats can be bought at the box office for the show. To buy tickets online, visit www.hebrontheatre.ticketleap.com/annie. Don't forget to save the date so you don't miss such an amazing show!

Guidance and Scholarships

- Attention SENIORS; you should be starting to sign up for your SAT/ACT. These tests need to be taken if you plan to go to college. The earlier you get done taking these, the quicker you can apply for college.
- On October 24th, there will be an open house at Indiana University Northwest. This gives any students a chance to view the campus, learn about financial aid, scholarships, and talk with academic advisors. This event starts at 5 P.M at the Arts and Science building. You MUST RSVP online by Monday, October 21st if you plan on attending.
- In order to receive financial aid college, you MUST sign up for FAFSA. This is basically free money towards your education that the state awards you. Best of all, you don't have to pay any back! Sign up at this link: <https://studentaid.ed.gov/sa/fafsa>

Where are they now?

***Note:** The Principles of Business Management class writes and edits this Hawk's News publication each month. This year's class has decided to make some exciting additions to each newsletter by including a few feature stories and other fun items. Stay tuned for something new and FRESH each month. This month, we'd like to begin with a new column we will call, "Where Are They Now," which will feature various alumni and what they are up to. We want to catch up with and showcase the amazing people that come out of our school.*

Bob Burke graduated from Hebron High School in 1999. While at Hebron, Bob participated in Volleyball, Basketball, Baseball, Yearbook, and the school newspaper. After high school, Bob attended Indiana State for two years then entered the Navy for two years. He graduated from Valparaiso University.

He has been teaching P.E. at Edison Jr./Sr. High School in Lake Station for eight years. He coaches Varsity Boys Basketball as well.

Bob stated that his Jan Enterprise English class taught by Mrs. Anders and Mrs. Nelson prepared him the most for college. The class was run more like a business class that helped him in his English courses in college and his other courses too. The class ran mock interviews which helped him in public speaking, how to write resumes, computer skills and taught him real life experiences.

His tips for college is, "While in high school, don't be overly concerned or worry about what you want to do in the future. You have plenty of time to figure out what you are going to do with your life."

Some interesting facts that few people don't know about Bob Burke are he has visited over 20 countries and while in the Navy, he worked on ejection seats. Bob's hidden talent is Amazing Trick Shots - check him out on YouTube! <https://youtu.be/EHWqiwTkCk8>

Bob still lives in Hebron with his wife Cara (Patz) who also graduated from Hebron. They have two girls, Lexie and Lyla.

HEBRON HAUNTED HOUSE PRESENTS CAMPFIRE STORIES

MURAL UNVEILING

10.26.19
10A-12P

Be the first to see Hebron's newest art installation and signage when it is unveiled to the town. There will be live music by Justin King, facepainting, speeches, food, Stagecoach museum tours and more! Be a part of Hebron history.

HHS Supports Breast Cancer Awareness

As many of you may be aware, the month of October is Breast Cancer Awareness month. Ms. Brown, our own beloved math and science teacher, has recently been diagnosed, and is currently going through treatment. In honor of Ms. Brown and all others who have suffered from Breast Cancer, several students are selling bracelets during both lunches to raise money to donate to a Breast Cancer Charity in Ms. Brown's name. There are many different types of bracelets to choose from that are available for a suggested \$1 donation.

Also in honor of Breast Cancer Awareness month, the school is holding a "Pie a Teacher" event on Wednesday, October 30th. During lunches in October, "Pie a Teacher" tickets will be on sale with options of 1 pie for \$3 or 2 pies for \$5. So, who's face would you like to nail with that sweet pile of whipped cream deliciousness? You have your choice of Mr. Simon, Mr. Eriks, Mrs. Charpentier, Mrs. Kursinski, Ms. Vendl, and others. This will be something to see!!

In addition, throughout the month, we will be holding various dress up days:

October 11th - Pink out day

October 18th - Word Scramble day (you and friends can make a word of support with your shirts. IT MUST BE SCHOOL APPROPRIATE.)

October 25th - Pink out day #2

October 31st - HALLOWEEN

Hot off the presses and just announced this morning:

Are you tired of seeing Mr. Adamczyk's chops? How about Mr. Straka's beard. There will be a raffle to shave off Mr. Eriks' mustache, Mr. Adamczyk's chops and his hair, and Mr. Straka's straggly beard. If enough money is raised, Ms. Brown has volunteered to shave Mr. Eriks' hair off in front of the student body. We will be collecting donations for tickets during both lunches.

We appreciate all the participation and donations to this important cause that is so near and dear to our hearts.

End of Grading Period...Conferences

October 15 marks the end of the first nine week grading period, and that means that Hebron High School parent teacher conferences are right around the corner. Mark your calendars for Monday, October 21 from 3-6:30 at the high school. If you would like to meet with specific teachers, you are welcome and encouraged to schedule your student's conference time with by contacting Mrs. Clemens at 996-4771 ext. 118, or you are always welcome to come right in that night to talk to individual teachers as they are available. We look forward to seeing you!

MSD of Boone Township
HELPING STUDENTS SUCCEED

Hebron High School

509 S. Main Street, Hebron, IN 46341

(219) 996-4771 www.hebronschools.k12.in.us

Metropolitan School District of Boone Township Mission Statement

The mission of the MSD of Boone Township is to educate and prepare today's students for tomorrow's challenges.

Metropolitan School District of Boone Township Vision Statement

MSD of Boone Township is an integral part of the Hebron community and a place where employees, parents and community share responsibility for ensuring that students receive a variety of educational opportunities. Positive and memorable school experiences help develop students' confidence and self-esteem, which are critical to their development as contributing members of society. Students are provided a curriculum that is relevant, engaging, accessible, and filled with unique experiences. Moreover, students feel safe and respected by those who are passionate, engaging, and who create a sense of awe, curiosity, and enthusiasm for learning.
