PCC!

The 2020 girls basketball Porter County Conference Tournament was hosted by Morgan Township beginning on January 20. La-Crosse, South Central, Morgan, and Kouts all advanced to the second round. After a number of games, Morgan and South Central ended up playing each other in the Championship game, resulting in Morgan winning.

For boys basketball, Hebron hosted the entire tournament beginning on January 22, with Morgan, Kouts, South Central, and Washington Township advancing into the second round. Kouts and Washington played a very close and tough game in the championship, but Kouts ended up winning by three decisive points.

After the championship games at Hebron on Saturday, the Mental Atti-

tude award was given to a senior girl and a senior boy. The award is based on attitude on and off the court, sportsmanship, and their work in school. The girls award was given to senior Morgan Kobza from Kouts and the boys award was given to Alec Hannon from Westville. All of the PCC dance and cheer teams competed last Saturday and found out this Saturday who won. Hebron won the dance competition and, although Westville won the cheer competition, the Hebron cheer team

followed closely behind with an astonishing second place. When the cheer blocks, dance, and cheer team competed for the final award, Hebron concluded their victorious night by winning the Spirit Award as a result of Hebron's good

sportsmanship and attitude. Great job, coaches, teams, and fans— you continue to make us proud!

Girls Basketball

After a hard fought battle, the girls fell to Kouts in the PCC tournament. Their next game is Senior Night against Rensselaer on January 30th. They would love to see you there to send them off!

Sectionals start off next Wednesday February 5th. In the first round, the girls will be versing Westville. Come out and support the Lady Hawks!

Congratulations to **Ellie Wag-
oner** for signing to run at Grace College last week. Here she is pictured with some of her friends and supporters who were available to witness this momentous occasion!

Boys Wrestling

When sports are mentioned here at Hebron, many people think of our past baseball and basketball teams. These past few years, though, Hebron's wrestling team has really been something to see.

Led by Coach Adamczyk, the Hawks are currently ranked 8th in the Region by the NWI Times Newspaper. The season isn't over yet and they've already broken the school record for dual wins. They are undefeated in GSSC dual schedule. The Adamczyk boys, Matt and Patrick, are conference champs in their respective classes. Frank Zoller and Dom Csomos were North Newton

Tournament Champs for their weight classes, Matt Adamczyk was the Valpo Tournament Champ, Pat Adamczyk, the Rensselaer Tournament Champ, and Skylar Naasko, the Whitko Tournament Champ. They've been showing that they're not afraid and they won't back down to anyone. We have two academic all-state wrestlers, Dominic Csomos and Patrick Adamczyk who are preparing for the sectional tournament which is this Saturday at Crown Point High School. Best of luck to the boys as we continue to watch their trajectory!

Boys Basketball

The Hebron Boys Basketball team started off the New Year by winning the Hawks' Classic Tournament. In their first game, they played against South Bend Career Academy, they won with a score of 56-54. The semifinal game was played against Tri-County, they won that game with a score of 85-34. The championship game was against Winamac. Hebron won the Hawks Classic with a score of 49-31. For information on the PCC hosted by our very own, see article on page one of this publication. We look forward to see you as you come out and support the exciting, high flyin' Hawks!

BPA

The count for students going to the Business Professionals of America State Leadership Conference is official: we have 27 kids competing in all matters of business. The conference will be held at the Marriott Indianapolis Downtown on March 8-10, and as you may imagine, it is not cheap. Members have paid for their lodging, BPA has paid the registration and other incidental fees that come with it, and now we have a goal to raise enough funds to give each member money for their food and spending money while we spend the three days in Indianapolis.

The chapter is making progress on this front through fundraisers like our Hawk's Nest School Store, which is run by business students themselves, but will need some additional help for this many kids. We are planning on a spirit week in February, a bags Tournament during lunch, and a fundraiser with our very own business owner, *The Cookie Rookie*, very soon as well. We have some other ideas also, since Nationals is right around the corner in May and will be held in Washington D.C.

All of our members would like to thank you for supporting our cookie sale last month and for all your continued support and good wishes through out the year as we aspire to become the future business leaders of America!

NHS

The Hebron chapter of the National Honor Society met after winter break for our first meeting of the new year to continue planning. The Elementary School Pint Size Hero Blood Drive will take place on February 5th from 2-7 p.m., and if you are able, all donations are greatly appreciated. We would like to thank

everyone who made the Albanese Candy Fund-raiser successful and, proceeds went to the Cynthia Brown Cancer Fund. Please watch and listen for other opportunities to demonstrate your support. We hope everyone has another great semester! Let's continue to work together to support our school family and the community in which we live. We appreciate all that you do!

HHS Comfort Closet

We want everyone to look and feel their best! That is why the Comfort Closet was created. The Closet gives those in need access to personal hygiene items. To place an order, please fill out an order form, which can be found in the Hebron Schools bookmarks. All orders are anonymous!

Kiner's Corner

Your Hebron High School Library wants to bring back Maker Monday!

Mrs. Kiner recently created a project called Maker Monday, through Donors Choose. This organization helps to reach the public in regard to funding for the project. She is happy to report the since the submission on Friday, January 17th, she received news via email one Friday later that the project has been fully funded! The Maker Monday wish

list includes Ozobots, kits to create your own circuits and switches, and much more. "I wanted to be able to give my students an opportunity for hands-on and creative ways of engaging them in the STEM fields," said Kiner.

The supplies are on their way. So, keep your eyes and ears open for Maker Monday. Of course, as always, keep reading!

Yearbook Valentines

The yearbook staff is currently holding their annual carnation/sucker delivery fundraiser. For just \$1.00, you can have a sucker and/or carnation personally delivered to any student in Hebron schools, from K-12. Send someone special a delivery this year. Contact any yearbook or

newspaper staff member to arrange to have one for your sweet student! Show them some love! See page 5 of this publication for more details, and thank you for supporting your Hebron Seneca Yearbook as they endeavor to create the highest quality publication possible!

This newsletter is written, edited and published by the students of Mrs. King-Licht's Principles of Business class. If you have content you would like to add, please email kingl@hebron.k12.in.us

Cheer

The Hebron Cheer team competed in the county wide cheer competition on January 11th at Boone Grove. Recently, they discovered that they finished second as Westville took the win. Although they lost in the competition, Hebron brought home the Spirit Award for having the most enthusiastic fan section. Great job

to everyone who participated! They still have a handful of games left, so make sure to come out and support them! The Cheer team will have their senior night, along with the boys basketball and dance team, on February 27, as they take on Marquette Catholic. Please come out and support your Hawks!

Dance

The dance team recently competed in the PCC dance and cheer competition where they performed a Disney themed dance to a song from The Lion King. At the competition, the team performed in front of a panel of judges who scored their routine based off of a set criteria that included showmanship, overall presenta-

tion, general appearance, theme, and precision. The results were announced following the boys PCC championship and the dance team took a 1st place finish for the second year in a row! Along with winning the overall Spirit competition, this year has proved to be record setting for the team!

Valentine's Day

Carnations and suckers for \$1
each

Sold in the
cafeteria during lunch
on these days:
January 21st - February 5th

*Show someone special how much you
care!*

E-mail yendlc@hebronschools.k12.in.us for extra questions or more info

Student Council

The Student Council needs your help! After the holiday season, our local food pantry could use more items to restock their shelves. These items include canned dinners, boxed dinners, toothbrushes, shampoo, and more. It is a contest between the high school levels, but is open to the community. If anyone has any questions or items to donate, you may contact President Nicki Mantai via email at mantaink.2020@hebronschools.k12.in.us. This will go on throughout the entire month of January. For the month of February, Student Council is also going to be at the mattress sale along with the band and choir on the 15th. If you are in the market for a mattress, come on down. We'd love to see your support!

“This Month in History.” Happening one year ago this month!

Making (brr...) History!

The week of January 28, Hebron schools were canceled from Monday until Friday, February 1. The cold weather set a record with the mercury dipping to -23 degrees and wind chill hitting -55. The cold and snow caused schools, government offices, and businesses to cancel all their regularly scheduled activities due to dangerous wind chill and travel advisories.

Normally, students only receive 48 hours to finish their work for e-learning assignments, but since there were so many days off in a row with no teacher face time, they will have until Monday, February 3 to turn in all e-learning work for this week. The only makeup day we will have will be on February 15 and will be an e-learning day. Although we loved the cozy and warm days in our homes, we are anxious to get back to our regularly scheduled programming.

Guidance/Scholarships

It's officially 2020, so the class of 2020 might be looking to start out the new year with a resolution to apply for more scholarships to help pay for college this fall. What's the first step? Make sure to check out the Class of 2020 Google Classroom page where news about scholarships is frequently posted. Current scholarship

opportunities located there include the Legacy Foundation's Scholarship, due February 1,

the Farm Bureau scholarship is due February 28, and the IU Credit Union Scholarship due April 1 for starters. In addition, the page also has a link for seniors to fill out the FAFSA. The page is regularly updated with new opportunities, and if you have any questions about the scholarship information, feel free to contact the guidance office.

Hebron High School Mission Statement

Hebron High School, in partnership with parents and the community, is committed to anticipate, recognize, and meet the individual needs of all students as they prepare for their futures.

Hebron High School Vision Statement

It is our vision that all graduates of Hebron High School:

- Shall enter their post-high school life prepared to meet the challenges set before them;
- Shall have the resources to make themselves competitive in their chosen vocation;
- Will strive to be life-long learners.

To ensure our vision we shall:

- Encourage and challenge each student to recognize learning as a lifelong experience;
- Furnish the tools and provide the opportunities to obtain the skills necessary for each student to work to his/her full potential;
- Assist each student to become actively involved in his/her learning experience so he/she may learn to reason intelligently, evaluate choices wisely, communicate effectively, work cooperatively and solve problems creatively;
- Maintain a safe and positive learning environment where each student will develop the academic and social skills necessary to become a productive citizen.
