## HAWKS WIN KEG BACK!

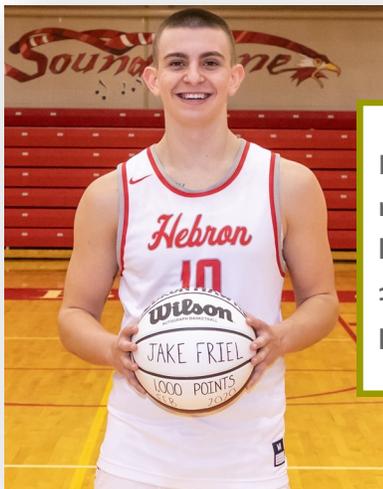

The Hebron Hawks Boys Varsity Basketball team defeated Boone Grove Friday, February 21, 2020. It was a hard fought game with both teams battling head to head, each matching the other on the offensive end. The final score was 45-40 and leading the way was Jake Friel with 17 points followed by Ethan Drook with 12. The legendary keg is back at home where it belongs under that red and white glow. Thank you to the Red Zone for showing out and everyone's attendance at the game for bringing the energy to boost our boys.

# Boys Basketball

The Hebron Boys JV and Varsity Basketball teams continue their winning ways. After losing the first game in the PCC, the Hawks bounced back with victories over Whiting 94 to 62 and Rensselaer 60 to 52. The JV is 13-3 and undefeated in conference with one game to play in conference. The Varsity is 12-4 with 2 losses in conference. Varsity is led in scoring by Jake Friel and Reece Marrs; rebounding David Steffan and Jake; assists Jake and Ethan Drook; steals Ethan and Jake; deflections Ethan and

Friel marking his 1000th point

Jake. JV is led in scoring and rebounding by Logan Zacarias and Matt Clark; assists Riley Blank and Skylar Martin. The Hawks have 5 regular season games left which includes senior night on Feb. 27th against Michigan City Marquette. The sectional draw will be on Sunday, Feb. 23rd. The Hawks will play at North Judson the week of March 3rd. The Hebron Boys Varsity Basketball team also beat Wheeler with a score of 75 to 31 and senior Jake Friel scored his 1,000 point. Big congratulations, Jake! That's quite a feat!

# Girls Basketball

The Lady Hawks kicked off sectionals week with Haley Rokosz signing to IUN to continue her academic and basketball career this fall. The girls faced Westville in the first round of sectionals on Tuesday, February 4th. Unfortunately the girls fell to Westville 53-51, ending the girls season. The girls played a tough battle and continued to keep a close game until the very end. Overall, the Lady Hawks ended their season 5-17 and always put up a good effort. Good luck to the five seniors; Haley Rokosz, Kyra Stater, Tanner Roy, Samantha Davies, and Kyana Maldonado, as they begin their next chapter of life, and good luck to the returning girls that we will see next season.

## Wrestling

The Hebron Wrestling season is officially over. They had many accomplishments as a team and individually. This year they had three regional qualifiers which ties a school record: Patrick Adamczyk, Matt Adamczyk, and Trevor Hoffman. Matt Adamczyk had even further success as he advanced to Semi-

State. The Hebron student body sent him off in style at the end of the day before his match showing up to line the halls with high fives and encouragement all around. Matt is current-

ly set to have 100 career wins as a junior! Congratulations on a great season to all of the guys, we're very proud of you!

## Cheer

The cheer team is not done yet! Not only do you see them at the game, but you can also find them out on the competition floor busting a move. The first competition will be March 1 at Portage. Come out and support the team as they throw stunts, chant, and dance. This year's team consists of Zoe Parsons, Jade Olsen, Savannah Fisher, Ashley Smith, Jillian Adamczyk, Trevor Hoffman, Aliyah Boone, Makala Chang, Sydney Rienhart, Abbi Anderson, Shelby Stafford, and Shelby Bryant.

# Science Olympiad

This year marks the first year for the Hebron High School Science Olympiad team. They had their regionals, and first competition, at Purdue Northwest in Hammond on February 8. There were many events, such as astronomy, ornithology, and forensics. Due to an unforeseen circumstance, Hope Slusser came in to join a team at the last second and saved the day. This led to her and Olivia Pastrick earning sixth place for their event titled, "Write it, Do it". This particular event consists of having one partner write down how to build something, then the other one tries to follow the directions as best as they can. The team that gets the most done, and is the most accurate, wins. Although there wasn't a lot of time to prepare, everyone who participated did a great job, including Mrs. Pastrick for coaching. The team is already looking forward to next year!

Olivia and Hope wrote it and did it!

Congratulations to Zoe Parsons on receiving gold at ISSMA state! What an amazing accomplishment.

# BPA State Leadership Conference

Hebron High School Business Professionals of America chapter members are very excited about their State Conference which takes place at the Indianapolis Marriott Downtown on March 8-10, 2020. Along with competing in their events, state qualifiers will be participating in "Opens" that test their knowledge in specific areas. If they place in the top ten scores, they are recognized on stage with a medal.

There are also breakouts where members participate in Student Leadership

Academy sessions, and those completing the series of six sessions will earn a certificate and be recognized at Monday's General Session.

The members have been working diligently on each of their events, hoping to come home with some wins so they can go on to National

Leadership Conference in Maryland/Washington D.C. in May. Best of luck to all our competitors!

## NHS

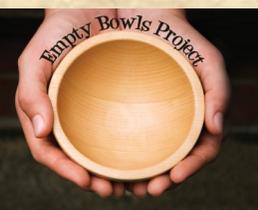

National Honor Society is currently busy working on a project for this spring, so stay tuned. In the meantime, on April 10th, we will be sponsoring the final blood drive of this school year. If you are able, please plan on donating. Watch and listen for donation sign ups.
