

THE HEBRON TIMES

January 2022 - Newsletter # 6

NEW YEAR NEW ME

Whether it be "participate in more school activities" or "drink more water", the students here at Hebron High have a variety of resolutions for 2022. One common resolution within the senior class is to "walk across the stage in June for graduation," (Brittney Reece). Underclassmen are determined to "get better grades by May" (Jae'Yanna Little , 10)

Black Out!

Red White & Blue

'STUDENT 'SECTIONS

There wouldn't be very much spirit without our HHS Student Section Instagram, ran by Ellery Shea. This profile lets everyone know when, where, and what the themes of the basketball games are, away and home. Ellery says, "I decided to make an Instagram account because it was an organized way to convey the info and a fun way to draw in a crowd." Stay up to date!

YEARBOOK CORNER

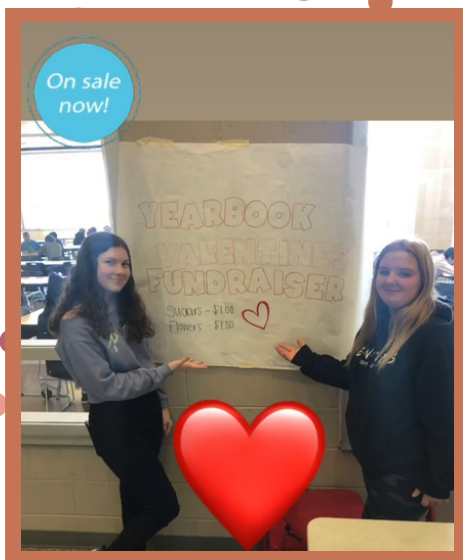

Behind the scenes

BOOK PROGRESS

The yearbook is coming along! We have 43 pages completed and 74 in progress. We also hit 56% of our sales goal! We have senior spotlights available for purchase and business ad spaces available for purchase. You can order your yearbook, senior spotlights, and business ads at linktr.ee/hebronhsyearbook

VALENTINES FUNDRAISER

Our Valentine's Day fundraiser started January 24th and will continue collecting orders until February 4th. We are selling suckers and carnations that will be delivered to each school building on Monday, February 14th. Orders will be collected at each building during their lunch periods for \$1 per item. We currently sold over 600 items and are excited to continue collecting orders this week.

ACADEMICS

Step into the Classroom

STRAKA'S ROOM

On top of all of his regular classes such as World History and U.S. History, Straka also teaches the extremely difficult AP U.S. History, or APUSH class. "It's kind of funny to see the new group of people in the class after how challenging and fun it was last year," says senior Olivia Pastrick who scored a 5 on the AP test the previous year. The class involves doing several hours of notes per night, and practicing several essays that you have to write for the exam. "It's the most work I've ever done for a class but I know I'm getting so much out of it so it's totally worth it and it's been a lot of fun," says junior Gabby Wagoner

DNA PROJECTS

Ms Crook's Biology 1 Classes had their DNA projects this month. Student's used their knowledge in Deoxyribonucleic acid to build a model of the two polynucleotide chains that coil around each other forming a double helix that carries genetic instructions for the development, function, growth and reproduction of all known organisms.

VANDEBUNTE'S ROOM

Mr. Vandebunte, one of our Hebron High math teachers introduces a new student teacher, Ms. Ventrone to his classes. She will be teaching classes in February in order to further her degree in the field.

ATHLETICS

There is no I in team!

BOYS BASKETBALL

So far, boys varsity basketball is having a great season. So far they have a season record of 9-7. The boys competed in PCC, winning against Washing Township 46-24. Although they unfortunately fell to Kouts, they put up a fight. Their next game is Thursday February 3, against Washington Township at 5:30, come support your hawks.

GIRLS BASKETBALL

The lady hawks varsity basketball team had their senior night last Monday, resulting in a dub! With the final score of the match being 46-23, the girls are ready for sectionals on Tuesday February 1st at 7 pm. The player of the game, senior Bella Bowgren, tells us "Senior night was awesome, the girls did great and I had so much fun." Bella hopes to see you at the sectionals game!

CHEER & DANCE

The cheerleaders and dancers had the crowd on their feet with their exciting performances at the PCC competition. Hebron swept the jump competition. The top 3 spots were all Hebron athletes. Brynn Frankovich won the jump competition and was the runner up in the tumbling competition. The Hebron Dance Team took 1st place (3rd time for Hebron), the Cheer Team took 2nd place, and the Pep Block took 1st place (1st time on record for Hebron), giving us 1st place in the PCC Spirit Award! Great job ladies.

PCC CHAMPS

WRESTLING

The Hebron wrestlers hosted the Hawks Invitational on Saturday, Jan. 8th and came out victorious. Winning individual titles were Anthony Fortenberry, Jack Reinhart, Matt Adamczyk, Ryan Bilik, and Trevor Hoffman.

Our Hebron wrestlers participated in the GSSC conference tournament on Jan 15th and came home with a second place finish. The Hawks also had two individual conference champions in Matt Adamczyk and Ian Gonzalez.

CLUBS

After School Activities

COMFORT CLOSET

We want everyone to look and feel their best! That is why the Comfort Closet was created. The Closet gives those in need access to personal hygiene items. To place an order, please fill out an order form, which can be found in the Hebron Schools bookmarks. All orders are anonymous!

HAWK'S NEST

Valentines Day is quickly approaching and the Hawk's Nest is celebrating! In honor of Heart's day, Mrs. King's business class want's to give back. We will be doing a "Guess how many kisses" competition. Submit your guesses when visiting the hawk's nest. The student who guesses the amount of Hershey kisses in the jar, or is the closest to the actual amount will be rewarded the whole jar! Be sure to stop by the Hawk's Nest, located in the business hallway, and give it a shot.
