COOPER'S BIRTHDAY

Everyone's favorite staff member Cooper turned 2 years-old! Cooper's birthday is February 26th, 2020. Mrs. Klenk has decided to only celebrate Friday so he can celebrate with us. She says, "It was a day early, but he has so many friends here at school that it would be more fun to celebrate here." When Mrs. Klenk got Cooper he was 7 weeks old, but she picked him out when he was born and played with him as he grew. As a young pup, Cooper had 7 other siblings that he doesn't usually see anymore besides his sister Rory.

For his birthday, Mrs. Klenk had balloons and a banner outside of their room. He also wore a new bandana and tie, he might even have a hat. They even passed out Scooby Snacks in honor of Cooper's birthday.

YEARBOOK CORNER

FUNDRAISER TOTALS

We want to thank you for all your support during the Valentine's Day fundraiser. We had staff members collecting orders in all three buildings for 2 weeks. We thought our selling numbers would be down because of 2 e-learning days and a snow day during our selling period but a blizzard couldn't hold us back! We came in collecting orders one extra day and you exceeded our expectations! We sold over our 1,000 sucker and 400 flower goal! We sold 1,198 suckers and 667 flowers. We ended up needing to make a second sucker and flower order! The flowers arrived at 1:47pm on delivery day and I am proud to say the staffers were organized and had everything delivered and cleaned up by 2:35pm.

YEARBOOK SALES

ACADEMICS

CERAMICS

This year's ceramics class students are undertaking many exciting new projects, including hand-building 12 inch coil pots and throwing functional bowls on the wheel that can be used for eating food! This class is taught by Mrs. Gladstone and although it can be very messy at times students love undertaking this form of art that they have never exposed to before.

"I look forward to this class every morning because of how therapeutic it is. My favorite project I've done is my ceramic shoe."

- Myah Donovan

SPANISH

Hebron's Spanish classes are taught by Mrs. Summerville who helps students learn vocabulary and grammar in the Spanish language. Learning Spanish has never been more fun with the addition of many fun games involved such as the fly swatter game, juego, and kahoots. Students are not only learning how to speak the language, but are also educated about the cultural aspects of the Spanish-speaking world.

"Spanish class is one of my favorite classes because of all the fun games our class does and getting to learn a new language."

- Madison Myers

"I am taking Spanish because I thought it would be super cool to learn a new language."

- Isabella Reece

WRESTLING

This wrestling season has come to a close.

There were Five students placed in sectionals this year: Anthony Fortenberry, Devin Fox, Jack Reinhart, Matthew Adamczyk, Trevor Hoffman. Those same five advanced to regionals! In this season Matthew Adamczyk made it to one hundred total wins in wrestling and Ivan Hernandez was also awarded academic allstate. Congratulations everyone!

GIRLS BASKETBALL

The Lady Hawks finished their season strong with several well-fought games nearing their season's conclusion. In terms of wins and losses, the season was tough, but the girls pushed through regardless and held their heads high.

"This year was a whole lot of fun, my last year of playing with the seniors and getting to play with Reagan this season was such a cool experience!" says junior Kylie Cole.

CLUBS

Drama is having another musical! It will be *Beauty and the Beast*. Faith Alvarez is playing Belle and Xavier Collins is playing the Beast.

Some of the other cast includes: Robert Summerville as Gaston, the man who wants to marry Belle; LJ Summerville as our favorite candlestick, Lumiere; Phoenix Powers as the very timely Cogsworth; and Sky Olson as our motherly Mrs. Potts. There are a lot of other parts and a great ensemble. Lets not forget our very, very helpful backstage crew led by our backstage manager Bo Vincent. Practices have just started and the actual show date is set to be May 13 and 14. Hope to see you there.
