School Description

Emily Dickinson Elementary is an outstanding school focused on student success. Our dedicated staff provides a high quality education that meets the needs of all our students.

Dickinson benefits from a high level of parent support and participation. Our PTSA volunteers give countless hours of their time providing an array of programs and activities. Art Smart, Parent Mentors, Big and Little Theater productions and International Night are a just few. Additionally, Dickinson benefits from the Watch D.O.G.S. Program, which provides 60 volunteer hours per week by men to support student learning and safety.

The Dickinson community cares for and preserves the wetlands on site and uses this natural habitat as an outdoor classroom. Restoration projects, scientific instruction and ecological awareness events make the wetlands an ideal learning environment
