School Description

Emerson High School is a choice school. It is unique in the district for its small size and educational focus. The school accepts a maximum of 135 students in grades 9 to 12. That size allows us to emphasize individual student learning styles and tailor educational opportunities to specific student goals. We provide a unique educational program that helps students be the best people they can be academically, emotionally and socially. Emerson High School starts with the student and builds his or her ability to perform academically while shaping a positive view of self.

Students apply to Emerson H.S. They attend because they want to be here. With the school's smaller size, teachers can provide high levels of individually guided and personalized instruction. Thus, students are able to pick up missed credits or accelerate their education. Our students and staff work to sustain a cohesive learning community and enrich experiences. Students develop the kind of positive perceptions of self, learning and life that are the foundation for continued success.

State Assessment Results

Smarter Balanced Assessment (SBA)+

SAT**

ACT**

*No State Assessments occurred in Spring 2020 due to COVID-19

Student Demographics

+Smarter Balanced Assessment is a Washington state standardized exam. Scores represent percentage of students who met the standards. Students who did not take the test were counted as not meeting standard.

*Scores are suppressed when groups are so small that the information could potentially be used to identify or derive information about individual students. Many 11th grade students refused to take the test: they may have already met graduation requirements through passing the old state tests in 10th grade.

**The Scholastic Aptitude Test (SAT) and the American College Test (ACT) are required by many colleges and universities for admission. Students elect to take these tests. A new SAT was given starting in January 2016. The Reading and Writing sections have been consolidated and now make up "Evidence-Based Reading and Writing" (ERW). As a result, the previous year's data is no longer comparable.

Invitation to Participate

One of Lake Washington School District's Strategic Plan Goals is Community Engagement. Families and community members are encouraged to participate in our school. Volunteers are trained and work in a variety of positions. Due to COVID-19, volunteer opportunities are limited to essential activities only. To get involved, call our school office.

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Fair

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.
