

Edmonds Elementary School  
Welcome to the 2022-23  
School Year!

**Edmonds School District**

***Equity, Excellence, Engagement***

# Land Acknowledgement

We acknowledge the original inhabitants of this place, the Snohomish people and their successors the Tulalip Tribes, who since time immemorial have taken care of, hunted, fished and gathered on these lands.

We respect their sovereignty, their right to self-determination, and we honor their sacred spiritual connection with the land and water.

By acknowledging these homelands, we are also committing to working with tribal nations to further the education aims they have identified in our classrooms and schools.
