COMMUNITY NORMS

As an SAS community member I agree to hold myself to a high standard of personal conduct in my interactions and communications with students, faculty, and parents. This means I will adhere to the SAS Statement of Community by:

Contributing productively and positively

Campus leaders are positive contributors

Refraining from discrimination

(religious, ethnic, racial, sexual, or gender)

Campus leaders help to create a community of inclusivity

Questions to consider before posting:
1) Is it the truth?
2) Is it fair to all concerned?
3) Will it build better community and friendships?
4) Is it beneficial to all?

Going to the source

Campus leaders help direct others to the right sources for information

LEARNING COMMUNITIES (ELEMENTARY EXAMPLE)

2 learning communities w/ flexible spaced closed to make 4 separate classrooms

(this part of the building is a learning neighborhood)

HOW DOES THIS BENEFIT OUR KIDS?

- A significant increase in total learning, play, dining, and community spaces
- Innovative, state-of-the-art classrooms that adapt to individual student needs
- Purposeful connection to nature to enhance student wellness (natural light, access to green spaces, etc.)
- New art, robotics, technical, maker and library spaces will increase possibilities for deeper student learning in these areas
- Aquatics center with 50 meter pool, APEx wellness center, and new playing fields to enhance student wellness and activity
