Congratulations to all those children who received other awards, medals and certificates; (there were so many of them!)

Dear Parents, relatives and friends,

We have had an eventful fortnight since the children returned to school.

As part of our school's involvement in the Diana Trust Anti-Bullying Campaign, our Ambassadors met on Tuesday and have decided to work towards their Online Safety Badge. They have also signed all of our classes up to the on-line Anti Bullying Assembly on Monday 3rd October. Posters will also be displayed in classrooms. Our Ambassadors are also putting together an Online Safety at Bishops quiz that children across school will complete in classes – again to underpin the work we are already doing in school.

We are asking if any parents would like to come into school on a regular basis to hear children read. Our school uses the amazing DfE Approved Monster Phonics scheme. If you are interested in helping and can commit to a regular time each week, then please contact the school office by Friday 23rd September. Mrs. Russell will put on some training on Tuesday 27th at 3pm to support you.

To support your child's reading, parents are recommended to look at the Monster phonics link to a PARENT EVENT. It's free and easy to access: [Monster Phonics Events](#) | [Eventbrite](#)..

Bishops Itchington School is nurturing and welcoming. Please don't hesitate to ask if you have any queries or wish to discuss any matter.

Tributes to Her Majesty, Queen Elizabeth II

On receiving the news of the death of Queen Elizabeth II, the children wrote condolences in the morning. The words they used to convey their thanks for our wonderful Queen were moving and mature. Above is a picture of our Board of Condolences that is displayed in the school entrance.

In our afternoon assembly, some messages were read out from each class, which was very moving. This was followed by a minute's silence. The conduct of the children was absolutely amazing and you should be so proud of your children who were wonderfully quiet and reflective.

At the end, the children watched the Queen and Paddington Bear video, which lifted spirits. The hall was filled with laughter and emotion.

The Railway Children come to Bishops

Our Junior children watched an in-school theatre production of The Railway Children on Thursday afternoon. This was a great experience for the children and they thoroughly enjoyed watching professional actors perform as characters in this classic novel set during the Victorian era.

Drumming Assembly

The children watched a magnificent drumming assembly on Wednesday morning. The whole school was absolutely captivated by Kris the musician. Letters are being sent out to parents this week to see if any children would like drumming lessons during school time.

Thank you, Kris, for sharing your fantastic drumming performance with us.

We are holding a musical afternoon and evening performance on 19th October. Classes will be performing songs to the audience to celebrate our music in school. Years Reception and 1 will have their performances recorded whereas years 2, 3, 4, 5 and 6 are to perform live at 2pm and 6pm. Children are to wear school uniform. We will be charging £3 per seat to watch the performances, each of which will last around one hour. The money raised will go straight to the purchase of musical instruments for the whole school to use, so a strong support from parents, relatives and friends would be very pleasing. More information to follow but please put this event in your diary! The theme is 'Songs for the Movies'.

Pokemon Cards

Please do not allow your child to bring Pokemon cards into school. This is because children are continually falling out and getting upset over the trading.

The Toys Sale

With Christmas coming up, we have decided to run a second-hand toy sale on Saturday 5th November from 10 am—12pm in the school hall.

We would like to receive donations of good-quality well-loved toys in advance that can be given to Lucy or Ruth in the school's reception area.

The toys will be sold to new owners at small prices. The point of the sale is help our local families budget for Christmas.

We will also be inviting parents to take second-hand uniform if they wish. All has been washed and is actually un-named lost property.

Please do come along to see what bargains you can find.

Don't forget to let Ruth and Lucy have any unwanted toys before then! Thanks everyone.

Sandringham	4	96.8%
Kensington	5	96.7%
Windsor	4.5	96.1%
Holyrood	1.5	98.8%
St. James	3	97.5%

Our School Attendance Target this academic Year is a minimum of 97.5%.

Our whole-school attendance percentage the first week back was 97.4%. Near, but we must do better! Total days of absence in each class is shown in the table with percentages.

Please note that if your child is taken on holiday and their absence is unauthorised, then we will refer the family to the Warwickshire Attendance Service.

This is now a requirement by the Government but also makes complete sense because when children miss school, they never make up the ground they have lost because they were not in school when the teaching and learning happened.

Holdenby House Yr 5 and 6 Experience being Evacuees in World War II

The children had such a wonderful time being evacuees. They went down into the bomb shelter, saw an Anderson Shelter, cut up vegetables, and were picked by hosting families. Such a great experience!

This Childhood Cancer Awareness Month, we're asking people to get involved in our Be Bold. Go Gold. Campaign. We will be holding an event in school where children can wear yellow or gold tops and will also be running a pop-up café and cake sale. As well as raising funds to support this amazing charity's vital work, we will be helping to raise awareness of childhood cancer.

IMPORTANT DATE FOR YOUR DIARY

Friday 30th of September- All children and staff to wear a gold or yellow coloured top and donate £1 to help raise even more money for our chosen charity. Cake sale morning for children during break time. Treat your child to a slice of yummy cake baked by our staff to help raise money for the Children's Cancer and Leukemia Group (CCLG) All cakes will be £1 each.

Pop up café open to our local community to help raise money for this charity. Café will be open from 09:15- 10:15am

Gold is the international colour of childhood cancer awareness, with many supporters choosing to wear a gold ribbon or t shirt throughout September/October. Holding a **Be Bold. Go Gold.** event is a simple way of getting involved and making a difference.

Class Representatives

(the lighter way to enjoy PTA life)

Fundraising for FoBIPS is changing this year and we're so excited to get you involved in the action.

This academic year, each class will be in charge of their own fundraising initiative. This can be anything from a sponsored read to a full-on event, it's completely up to you.

We're asking each class to nominate a parent/guardian class rep or a small team of class representatives to be responsible for coming up with their class's fundraiser. The FoBIPS team will be on hand to help with any questions and offer the amazing resources available to us as part of our ParentKind membership.

We hope this new way to get involved will bring a fresh new wave of ideas and events to add a bit of excitement to the academic calendar. It also encourages more children to be a part of the events taking place throughout the year.

FoBIPS will still be running the usual big scale events like the fantastic Christmas and Summer Fayre's. So you don't have to worry about creating a big event.

To help get you thinking, here are a few examples

Bake sale

How to get involved

We need at least one representative from each class, so please communicate between yourselves on your Facebook or Whatsapp groups to create your perfect fundraising power team and once you've decided please let Donna Davenport know who and she will get you the support you need.

There is no need to attend any FoBIPS meetings as a parent rep, you are of course always welcome to join any of our meetings if you have any questions though.
