SUBJECT: HIGH SCHOOL CLASS DUES

Explanation of Class Dues:

Dues are \$25.00 a year for your freshmen, sophomore and junior years for a total of \$75.00. It is suggested that dues be paid each year so that all dues are paid before senior year. Dues can be paid at registration or on a “Dues Day” which will be held once each semester.

These dues are used to help their class pay for Junior Prom, for their graduation ceremony and other expenses that come along. (ie: Senior Trip, Senior BBQ, etc..)

***Any student that has not paid all their dues in full before Prom will not be able to purchase tickets until dues are paid in full.
