

Little Acorns Newsletter

Dear Parents and Carers,

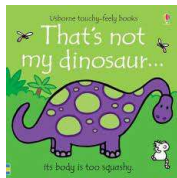

I had an amazing morning in Little Acorns on Thursday whilst Mrs Blumberger had her PPA time! It was so lovely to see how well our little ones share and co-operate together! We enjoyed using our fine motor skills to bath lots of our toys – lots of discussion about how bubbly the water became and how it cooled down as time went on!

Outside play was a huge success with all children keen to demonstrate their skills in balancing, jumping and landing.

It was the best morning of my week and I am thoroughly looking forward to next Thursday!

Book Sharing

All children will have the opportunity to regularly bring books home to share. They can be changed as often as requested. We have added a record sheet so we can identify children's interests and preferences from what they are choosing. There is a comment box if you would like to let us know how your child responded etc.

We're happy to help

Curriculum – Everyone is enjoying the topic of 'me and my family'. Our stories with familiar settings are going down a storm and the children could tell me lots about the stories 'Peace at Last' and 'Five Minutes Peace'

Early Year Team

We very much view Little Acorns and Willow class as our Early Year Phase and our team is led by Mrs Clarke. Our Nursery Lead – Mrs Gemma Blumberger is currently supported by Bec and Kimberly. Sadly, Annamarie no longer works with Stowe Valley but we are delighted to have recruited Mrs Emma Turner to support predominantly in Willow class but she is also very keen to do some work in Nursery too.

I am hoping to be able to continue to spend Thursday mornings in Nursery – I have a great fondness for Early Years!

Parent Consultations

You will have the opportunity to meet with staff during the week beginning 7th November. There will be an appointments sheet in Nursery.

We are very proud of our provision for children here at Little Acorns – well done to everyone!

Swapping sessions – unfortunately we are finding it difficult to accommodate session swaps and unless an emergency situation arises we would like to stick to the current pattern of attendance. If you would like additional sessions we will of course try and accommodate this.
