

# BUCCANEER NEWS

WEEK 1 (August 22 through August 28)

## PRINCIPAL MESSAGE

Dear Buccaneer Family,

We had a fantastic first week of school! Our teachers and students got to work with engaging instruction, and the spirit of "Buc Pride, Never Dies!" was alive and well!

Each day, our students participated in assemblies reviewing school procedures and important graduation information specific to their grade level.

Students also received 1 to 1 devices each day through English classes and began connecting to essential resources such as Khan Academy and their FOCUS graduation pages.

We ended the week with an exciting PEP-JAM during lunches displaying our BUC PRIDE for the incoming 9th graders. The school spirit was electrifying!

The first nine weeks are in full swing, and with week one already in the books, it is important to remember the importance each day has on our academic success. If our first week indicates how successful this year will be, then we are primed for greatness!

**Joe Castelli**

# B

**BE ACCOUNTABLE:** We are present and accountable for our actions and successes. We strive to own the moment, who we are and who we will become!

**PERSEVERE:** We own our individual struggle and are able to bounce back through courage. We are not afraid to take risks!

# P

# N

**NO LIMITS:** We consistently strive to be better today than yesterday. We stretch our boundaries and seek for understanding!

**DO RIGHT:** We demonstrate integrity and exhibit pride in our school and campus even when no one is looking!

# D
