

BUCCANEER NEWS

WEEK 3 (August 29 through September 3)

PRINCIPAL MESSAGE

Dear Buccaneer Family,

Our first two weeks are in the books! I couldn't be happier with our students' efforts and school pride! Our teachers and staff have fully embraced our vision of "Every student, Every day, No excuses!" It is on full display as I walk our classrooms.

Our fall sports are underway, and it is a true pleasure to witness our students finding their joy and participating in extracurricular activities. I loved seeing our community come and support our student-athletes on the football field this past Friday. What a great win for our football team versus Deland HS. The atmosphere was electric (not talking about the weather!) as our band, cheerleaders, and dance teams motivated the crowd!

Students will be receiving informal progress reports this Friday, 9/2. It is a great time to review your child's FOCUS and CANVAS pages to ensure all assignments are up to date. We will also celebrate our academic successes this Friday during both lunches.

We ended this past week with teacher vs. student games and a teacher appreciation cookout. Our BUC PRIDE, as always, was on full display!
