“Inclusion Best Practices”

The lives of ALL children are enhanced through shared experiences and friendships with peers who may or may not have disabilities. In addition, inclusive practices foster self-determination for children with disabilities. Learning about inclusion enriches the lives of ALL who participate and increases understanding and acceptance of disabilities as a natural part of life.

“Mejores Prácticas Para la Inclusión”

Las vidas de TODOS los niños se mejoran por medio de experiencias compartidas y amistades con compañeros que pueden o no tener discapacidades. Además, las prácticas de inclusión fomentan la autodeterminación para los niños con discapacidades. El aprender sobre la inclusión enriquece las vidas de TODOS los que participan y aumenta la comprensión y aceptación de las discapacidades como una parte natural de la vida.
