School Description

Timberline Middle School is located in the city of Redmond, just off of Novelty Hill Road, in the area known as Redmond Ridge. The school is comprised of 780 middle school students, 44 certificated staff members, 2 counselors, 3 administrators, and 16 classified staff members. The Quest Program is housed within the middle school, supports 150 students, and includes programs for 6th grade math and language arts, social studies, and science for grades 6-8. Following 6th grade math assessments given in the spring, additional math placement for students grades 7-8 includes grade level math, algebra, and geometry. The racial demographic includes 3% African American students, 6% of students identifying as two or more races, 10% Hispanic students, 45% Asian/Indian students, and 36% Caucasian students. In addition, special education students represent 10% of the student population and 41 different family languages are spoken. Timberline Middle School students navigate rigorous instruction while maintaining a school average of a 3.5 GPA in the area of literacy and 3.6 GPA in the area of math.

Student Demographics

School Building

Our school facilities are available for public use by contacting our school office.

Building Condition Assessment: Excellent

The Building Condition Assessment represents an overall permanent building condition assessment. It is conducted by a third party in accordance with the state's Asset Preservation Program.

Invitation to Participate

One of Lake Washington School District's Strategic Plan Goals is Community Engagement. Families and community members are encouraged to participate in our school. Volunteers are trained and work in a variety of positions. Due to COVID-19, volunteer opportunities are limited to essential activities only. To get involved, call our school office.
