#SAASFALLMANIA

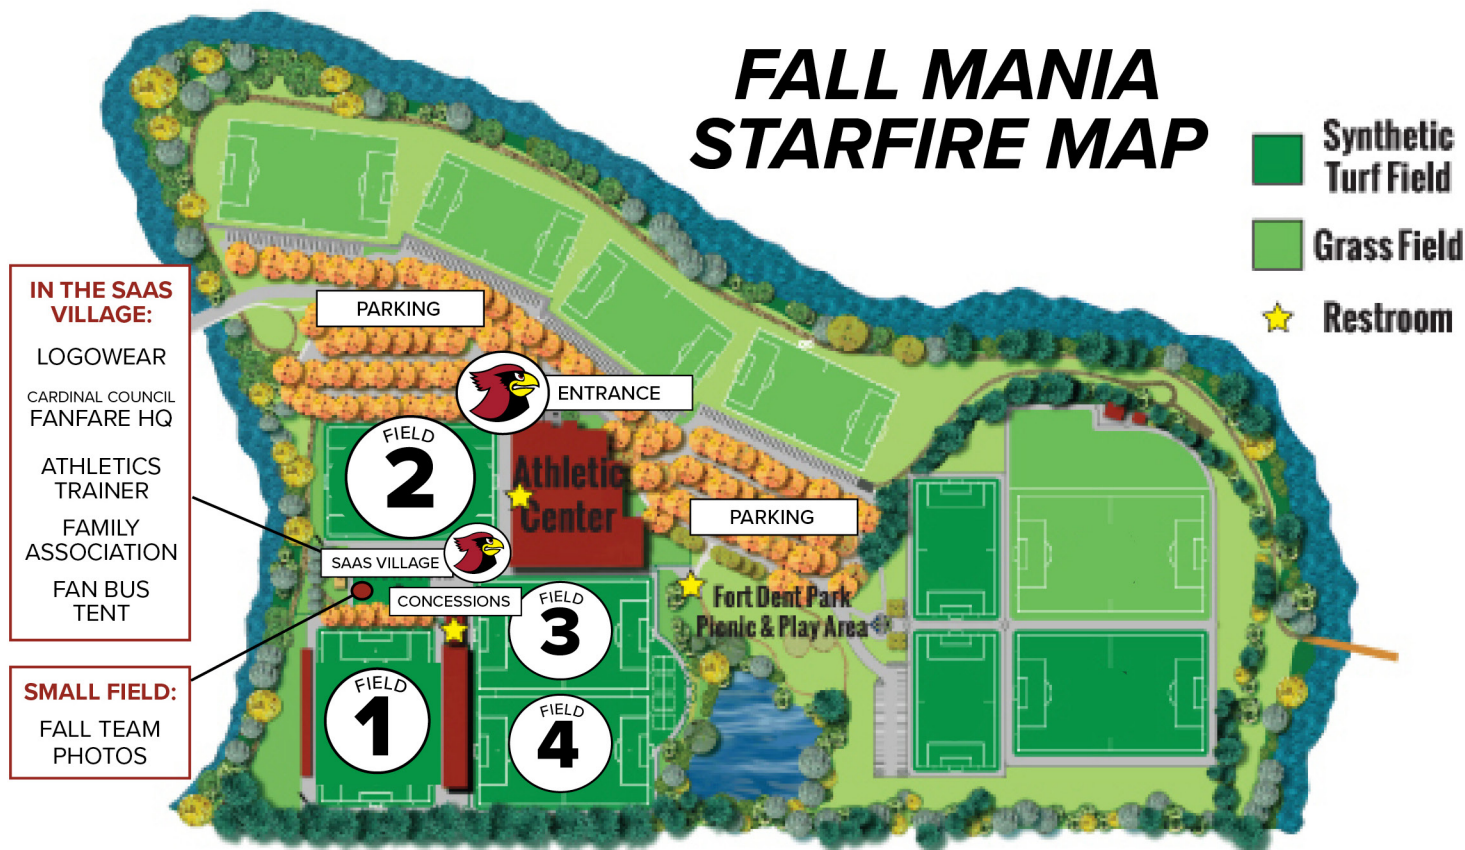

Welcome to Fall Mania 2022:

A Community Celebration of Seattle Academy's Fall Athletes

We're glad that you are able to join us today and hope that your experience here at Starfire is an enjoyable and memorable one. We'd like to congratulate all of today's participants, and we hope all players, coaches, spectators, and officials enjoy their Fall Sports Mania experience.

This event is a direct result of the commitment and hard work of many individuals. We would like to extend a huge thank you to the faculty and staff who helped plan this event and the dedicated volunteers for their time and tireless efforts.

Please remember that safety and sportsmanship are the ultimate goals of our interscholastic activities, whether it is at practice or during competition. Spectators should always respect other fans, participants, and coaches, as well as the decisions made by the contest officials. Parents are asked to be exemplary role models by positively supporting all of today's competitions.

SAAS Cardinal Council

Launched this year, the Cardinal Council is a student-led group that represents all cardinal athletes and serves as a bridge between the Athletics Department and the student-athletes at Seattle Academy. The council works actively to build a sense of community, encourage sportsmanship in all facets of SAAS life, promote athletics, and create a positive student-athlete image amongst the student body. Each year, students who will be in grades 9-12 the following year, and who play at least one SAAS sport, are encouraged to apply for the Cardinal Council at the end of the academic year. It is a written application process with a faculty recommendation requirement.

At today's Fall Mania, the Cardinal Council is in charge of the Fanfare HQ in the Starfire Village - and go Cardinals!

LET'S HEAR FOR OUR SAAS SENIORS!

We are honoring the Class of 2023 Fall Mania participants by highlighting their names in our *Cardinal red*! Thank you to the senior class for your continued sportsmanship and leadership within the SAAS community and beyond!

SAAS Onions

The Star Spangled Banner will be sung before the Girls Varsity Soccer game on Field #1 at 6:45 PM.

A note from the Onions...

The members of this year's Onions are thrilled to present a brand new view on the Star Spangled Banner. This new arrangement by our director, Mark Hoover, combines several uniquely American music styles. It has the blues, gospel, and old R&B. The weaving together of many of the roots of our shared musical heritage is meant to celebrate who we are as well as who we are becoming as we face the unique challenges of this particular point in time.

Listen carefully to the lyrics we've added to spotlight our aspirations to move towards the best version of ourselves as individuals and as a nation. Thank you.

Make an Impact!

The magic that happens at SAAS is made possible by those who support our school each year with their generous gifts.

The Annual Fund kicks off on October 1.

Let's reach 100% parent participation by Thanksgiving!

This year's theme is Impact:SAAS, because annual gifts of all sizes have an impact by elevating our dynamic college preparatory education to something truly transformational.

Invest in all the things that make Seattle Academy so special. Look for more information next week on how you can join in to make an impact for our students and community.

At the top, the phrase "NO MATTER WHERE YOU FLY, YOU'LL ALWAYS BE A" is written in a white, sans-serif font, arched over a black graduation cap. Below this, the words "CARDINAL FOR LIFE" are written in a large, bold, white, sans-serif font. At the bottom, the "SAAS" logo is followed by "ALUMNI" and "SEATTLE ACADEMY ASSOCIATION" in a smaller, white, sans-serif font. The Twitter handle "@SAASAlumniAssociation" is at the very bottom. Three white paper airplanes are illustrated: one in the top right corner, one in the bottom left corner, and one in the bottom right corner. Black swirls are also present in the corners.
