On March 16th we kicked off our **APEX** virtual fundraiser. The Chaco Canyon class was the highest earning for our campus. Pictured above is the Chaco Canyon teacher, Ms. Kalyn, and Bigby the highest earner at our school. The students received daily lessons from the APEX team on positive character traits and living an active life. The culminating video was of Ms. Teci and I being saran wrapped to each other and covered in silly string. We are still collecting donations and have raised **\$5893.13** for our school to date.

On March 26th we held a restaurant fundraiser at La Hacienda in Folsom. Our next restaurant fundraiser event is on April 21st at Badfish Coffee in Orangevale.

COMMENTS

Here at CMP Orangevale the return to in person learning in the hybrid model has been filled with so many smiles. The students have been responsive in following the safety protocols and have reported that they are so happy to be back in person. 75% of CMP Orangevale students have returned to in person learning and 25% have remained in Distance Learning. We are busy preparing the classrooms in expectation of the change from 6 feet to 3 feet social distancing in the classrooms. Staff appreciated the extra time that was offered for staff to work over the break.

All cohorts are participating in PE and Gardening during recess. We are enjoying the beauty of Ms. Lucy's Memorial garden during this delightful spring weather.
