Giving Tuesday		TBD
See's Candy Sales		Classroom materials
E-Waste Event		Science
Art Walk		Art program materials and classroom materials
APEX		Classroom/program materials

## COMMENTS

It has been a wonderful month at CMP Carmichael, as teachers delve into their lessons with students, our programs such as Earth Explorers and Second Step get into full swing, and our students demonstrate the beginnings of normalization. Our art teacher, Mr. Noah, created a beautiful Peace Pole for our students to commemorate the International Day of Peace on September 21st. Each class received a ribbon to attach to the Peace Pole, to represent their commitment to support peace on campus and in our world. Below are photos of our recognition of the International Day of Peace!

This week we were excited to welcome the return of the annual APEX Fun Run! The Fun Run has been part of our annual activities for years and will be held for the first time since 2019! The APEX Fun Run serves as a fundraiser for our program that also focuses on lessons of fitness, health and character education for our students. This year's version will be modified, with students participating within their pre-established PE groups and protocols to ensure a safe and fun experience for all!

There is so much great work happening throughout our school as our students resume learning in their beautiful Montessori classrooms. Thank you to our teachers and staff for your amazing dedication to supporting all of our students needs and thank you to our parents for your continued commitment!
