## COMMENTS

Our students and staff have been working hard as we settle into the school year. Our students appear to be enjoying being back in their Montessori classrooms. They are normalizing and engaging in lessons and independent work. It is amazing to be able to witness their learning in the classrooms.

The student and staff celebrated the International Day of Peace on September 21st with an outdoor moment of silence, along with students signing "this little light of mine" and making peace doves. The peace doves have been a tradition at the Elk Grove Campus for many years, and it was such a "peaceful" site to see all the beautiful peace doves displayed around the campuses.

We continue to creatively reinvent our outdoor spaces in learning environments and eating areas. We have purchased additional pop-up tents and set them up around the grounds to allow the students to eat and learn in the shade while remaining 6 feet apart. This creativity will continue as we move into fall and winter.
