COMMENTS

Our teaching teams and maintenance teams have been working together to create beautiful outdoor classroom environments for each of our K-8 classrooms. We have placed shade structures and sail cloths over each outdoor space, equipped them with tables and stools, and have created warm inviting environments with plants, work rugs, outdoor materials, etc. We look forward to sharing these spaces spaces with our students and parents at Monday’s Open House.

The entire CMP Shingle Springs team has enjoyed a full week of professional development, collaboration, and planning. We’ve welcomed a few new staff members and they have voiced how impressed they are with the commitment to academic excellence, the teamwork and collaboration, and the deep connections that have been forged with the staff. It is always nice to get this perspective from someone seeing our team at work for the first time.

We look forward to an exciting start to our school year!
