## Positive Behavior Referrals

This year at PHS we have started a positive behavior referral system. When a staff member catches a student doing good the staff member makes a referral to the main office. At that point the administrators call the student down to the office and share the positive referral with the student and follow that up with a phone call home to share the good news with parents. Our hope is that every parent hears from us this year. During the first two weeks of school we have received over two dozen positive behavior referrals. Great job Warriors!

# Counseling Corner

The counseling office is hosting a Welcome Warrior event September 27th, to welcome students new to the Philomath School District. This year we have nearly 50 new students and this is an opportunity for those students to connect with the ASB, key staff and other new students at the High School. New students will receive a personal invitation to attend during advisory and lunch next Tuesday. Please encourage anyone who gets an invitation to attend, it will be a lot of fun and lunch is provided.
