UPPER SCHOOL CURRICULUM (GRADES 9-12)

Gilman offers a highly rigorous college-preparatory curriculum. Students in the ninth and tenth grades take six courses each year. Juniors and seniors must take at least five courses each year.

Advanced Placement (AP) courses are offered in some disciplines. Students must receive departmental approval to enroll in an AP class. Due to scheduling constraints, it is not always possible to honor each student's request.

Students receive a number grade.

COORDINATE PROGRAM

The Coordinate Program allows students to take courses at The Bryn Mawr School (BMS) and Roland Park Country School (RPCS). With approximately 200 course offerings among the three schools, including more than 40 senior English electives, this program with BMS and RPCS provides Gilman students with many opportunities to explore the benefits of an expansive curriculum in a co-educational environment.

In addition to AP classes offered at Gilman, students may also enroll in the following AP classes through the coordinate program (schedule and departmental approval permitting):

- Chinese
- Comparative Government
- Computer Science
- Computer Science Principles

For more information about our course offerings, please see our [Curriculum Guide](#). For information about academic awards, please find more detail in the [Awards Day Program](#).

MEMBERSHIPS

[Global Online Academy \(GOA\)](#), a consortium of the world's leading independent schools, whose mission is to translate into online classrooms the intellectually rigorous programs and excellent teaching that are hallmarks of its member schools. GOA grades are not included in a student's grade point average.

[Cum Laude Society \(CLS\)](#), an academic honor society, inducts members based on the motto Areté (excellence in scholarship and moral virtue), Diké (justice), and Timé (dignity and honor). CLS inducts students in the fall of the senior year and an additional group of inductees in the spring of the senior year. An association of 382 chapters, Cum Laude members are found in independent and public schools in the U.S. and around the world.

COVID-19

In March 2020, Gilman's campus closed and classes were held virtually for the remainder of the year. All 2020 spring athletic seasons were canceled.

The 2020-2021 school year began virtually and moved into a hybrid in-person/virtual schedule in late September. In-person students had the opportunity to engage in intramural sports, and most teams returned to play, with reduced schedules. Glee Club and Design and Woodworking did not meet in 2020-2021 due to COVID restrictions. While other musical ensembles (String Ensemble, Concert Band, Jazz Band, and Bell Choir) met virtually throughout the year, enrollment was diminished.

Gilman returned to its full on-campus schedule for the 2021-2022 and 2022-2023 years.
