Staff Reports:

Construction Report: Dr. Royal updated the board on the Selma Burke Middle School construction & the Park View Elementary and South Elementary renovation projects. He shared that construction work continues at the Selma Burke Middle School and is on track for completion by the summer of 2023. A construction video update will be provided to the community next week. Dr. Royal reported the Park View Gymnasium is almost complete, and he expects to receive the Certificate of Occupancy soon. At South Elementary: the kitchen & dining room renovations are complete and re-opened on the first day of school; the gymnasium work continues and is scheduled for completion by Labor Day weekend; the dining area is open for students to grab and go lunches; and the kitchen renovations are almost complete with final inspections occurring this week. Dr. Royal advised that on August 4, 2022 he met virtually with the Edulog Redistricting team to discuss & plan the new attendance boundaries at MGSD. He will present the board with a final draft of the plans at the September board meeting and will seek feedback from community stakeholders. A final proposal will be presented to the board for first reading no later than the November board meeting and for approval at the December Board Meeting.

Auxiliary Report: Dr. Smith provided an updated Auxiliary report and shared that Intruder Drills were recently held at each of the schools and were led by the Mooresville Police Department and the MGSD School Resource Officers. Dr. Smith advised that MGSD has been assigned a new School Resource Officer (SRO), to serve our three elementary schools. MGSD now has a total of 6 SRO's serving our district. Dr. Smith shared funds from the School Safety Grant are being utilized throughout the district in the following ways: camera phones on all the exterior doors at each school entrance; video surveillance cameras at each school; new PA systems at Park View and South; and student ID badges for all students that will be used in the cafeterias and in the Media Centers. He reported that in Transportation as of 8/16/22: 4,039 students have been assigned to ride the school bus; 40 buses are transporting students and bus stops have been consolidated to cut down on route times. The district has hired new drivers; the bus driver salary has increased to \$17.41 per hour; and 9 bus driver positions are still available. Dr. Smith reported that the School Nutrition Department has had a smooth start to the school year. They are busy processing the Free and Reduced Meal Applications, and the new student ID badges are now being used in the cafeterias. He advised that in Technology the district rollout of JAMF, the District's new mobile device management software platform is underway, the staff has been busy issuing laptops to all new students, and updating and remedying student laptop issues. Dr. Smith shared that as of today, the BASP Department has enrolled 179 students, and 81 children are on the waiting list. Lastly, the Maintenance Staff has been busy keeping our facilities clean, mowing and maintaining all of the grounds, and addressing HVAC issues that are being caused by the extremely high humidity.

Instructional Reports: Dr. Pratt provided an updated instructional report for the K-6 grade levels and shared that the 2022-2023 school year is off to a great start. She gave an update on the K-6 summer programs and shared that the 9th annual Camp Invention summer program, organized by Mrs. Amy Smith had a total of 12 scholarship recipients. She shared the program's activities, strengths, challenges, and goals for next summer. Dr. Pratt advised that Dr. Waid and Mrs. Davis applied and were awarded a \$140,000 grant that will provide funding for math tutors in the elementary level. She shared that MGSD will utilize the grant funds to hire part-time math tutors and for purchasing digital and print resources. Dr. Pratt shared that this summer MGSD hired an AIG specialist who will give students classroom instruction. Lastly, Dr. Pratt reported that there was 100% teacher participation in the state required LETRS training last week and the next scheduled training will be held on the next teacher workday. Dr. Royal provided an updated instructional report for the secondary grade levels and shared that MMS & MHS are off to a great start and he has received great feedback from each campus. He congratulated MHS teachers, Mrs. Renee Parkman for being selected as a finalist for the NC Center for the Advancement of Teaching's 2022 NC Career and Technical Education Teacher of the Year Award and Mrs. Jessica Clark, for being named the MGSD 2022 Teacher of the Year. Dr. Royal shared MGSD has received funds from PRC 188 & 189 that will be utilized to assist with the CTE accelerator camp for next year, provide funds for math remediation and enrichment for grades 4-12, Open Up Math training at MMS, as well as additional math resources, and math tutors at the secondary level. He reported that the MHS math and english teachers are working closely with Dr. Waid on the district's implementation of the state required Career and College Ready Graduate (CCRG), and the secondary social studies teachers will continue to work on the Social Studies Curriculum guides throughout the year to ensure proper alignment to the state standards. Lastly, Dr. Royal provided an athletic update for the Fall sports that are set to begin at Mooresville Middle School and Mooresville High School.

Student Services Report: Dr. Albert provided an updated Student Services Report and shared that in the Exceptional Children Department there are currently 800 students with IEPs, 43 transfers already in process, and one EC teacher vacancy. She shared that the program specialists are helping with the required paperwork at the schools and the behavioral specialists have scheduled themselves at each school to provide support as our students get acclimated back into a routine. Dr. Albert reported that counselors are fully staffed with new counselors at South, PV, MIS, and MHS. Mrs. Lindsay Ferro, the MGSD Mental Health Coordinator, has been meeting and supporting all the new counselors and will serve as their mentor. She advised that there are currently 259 students with 504 plans an increase from 227 last school year and a small team of staff members were invited to participate in a 2-day Suicide Prevention Training program at the end of the month.
