## Bradfield Science Competition

On Thursday four Year 5 children travelled to Bradfield College for the annual Prep Schools' Science Challenge. They were treated to an afternoon of activities spanning Biology, Chemistry and Physics.

**Hannah, Sophie, Arthavit and Barnaby**

worked brilliantly as a team and created their own speaker using wire and paper, which successfully played 'Bad Habits' by Ed Sheeran across the lab! They added Sodium Hydrogen Carbonate to Citric Acid in the Chemistry lab and recorded temperature changes, drawing a really challenging but impressive line graph! Finally, the children studied maggots in a choice chamber to see whether they preferred dark or light conditions, and used microscopes to study different types of leaves and consider the weather conditions the plants came from. After a fantastic afternoon of activities, the children were treated to an exciting Science show, complete with wine turning into water, elephant's toothpaste, and exploding balloons!

**Hannah, Sophie, Arthavit and Barnaby** were a credit to Yateley Manor, their behaviour was impeccable and they demonstrated teamwork, resilience and a passion for Science. We now await the full results from Bradfield, to find out where we placed amongst the other 23 schools.

## Dogs and Grief

Rob Upton's latest blog can be found on the School website. The following is a taster:

The events of last Monday, with the incredible scenes from London, will have raised lots of emotions in many people. Grief takes many different forms. On the Mind website ([mind.org.uk](http://mind.org.uk)) author and life coach Rhiannon describes her own experience and the change in her mental state:

"Grief is a fickle thing, and it hits you in ways that you aren't prepared for. I've always been a fairly confident person so the shift in my mental health that came with grief took me by surprise."

### U11 Yateley Manor Hockey Tournament

The U11A and B teams took part in our annual home tournament. The A team played three group games against Edgeborough, Holme Grange and The Oratory, all of which were incredibly close. We defended well and worked hard in attack to put pressure the on the opposition goal. All three games were drawn which left us second in the group and facing St Neot's in the quarter final. This was another super exciting game with neither team able to break the deadlock until, with only a minute to go, a great strike from **Alice Waddington** found the back of the goal and we won 1 - 0. Our semi- final game was against The Oratory and although we continued to work hard the girls ran out of steam and the Oratory won 2 - 0 and went on to win the competition. The B team played in a round robin tournament against Edgeborough, Holme Grange and Hall Grove. They started with an excellent 2 - 1 win over Hall Grove with **Maniska Khadka** and **Farrah Knight** scoring. Their game against Holme Grange ended in a 0 - 0 draw and they lost 0 - 2 against Edgeborough 0 - 2, finishing in third place overall. A great afternoon's play from both the Yateley Manor teams. Well done.
