## Forward Exam

Dear Families,

As you know, students in grades 3 - 8 and grade 10 took the Forward Exam in Spring 2022. Scores are now available in Infinite Campus for immediate viewing, and we can also send you a paper copy of your child's Individual Student Report upon your request. Please click the links below for more information:

## Parent Access to Schoology

Hello Parents/Guardians of Stoughton High School!

We want to remind you that you have access to your student's Schoology account, allowing you to keep track of assignments, grades, and upcoming tests, as well as a number of other things. If you would like to access Schoology, please contact [Kate Heinecke](#) for your login credentials.

Below is a button linked to a detailed tutorial that will hopefully answer most questions you have about how to access and navigate Schoology. If you come across any other questions, you can ask your student or email [Jenna Thiele](#) or [Kristen Calvin](#). Ms. Thiele and Ms. Calvin are the Schoology Support staff at the High School and are happy to answer any questions.

**School of Pharmacy**  
UNIVERSITY OF WISCONSIN-MADISON

**Connect with us**

**These in-person and virtual PharmD Admissions events  
are open to all educators and students**

A group of seven diverse young adults, likely PharmD students, are posing outdoors on a concrete ledge. They are all smiling and making peace signs with their hands. Behind them are several protest signs on sticks. Visible signs include: 'Prevent and Manage HIGH Blood Pressure', 'get your AD...', 'Ok, I can Ph...', and 'Find resources and support to quit SMOKING' with a 'no smoking' symbol. The background shows a grassy area and a building.

It's time to connect with the UW–Madison Doctor of Pharmacy Program and meet current PharmD students. Register for an upcoming in-person or virtual admissions event and learn everything you need to know about the PharmD program. The PharmD Information session

(Virtual) will be held on Friday, September 30 from 12:00-1:00 pm. The Pharmacist Career Exploration Day (In-Person) will be held on Saturday, October 8, 8:30 am-1:00 pm.

### Are you interested in being a CNA?

SHS partners with MATC to offer a CNA class. If you have any interest in taking the CNA course in the spring semester of the 22-23 school year based on the description below please fill out the application linked [here](#) and return it to Ms. Schoemer (via email or physical copy) by **Friday, September 30th**. Completing the application does not mean you are locked into taking the course, however, students cannot take the course without it. Again, if you are at all interested please complete the application. If you have any questions please feel free to email Ms. Schoemer at [dana.schoemer@stoughton.k12.wi.us](mailto:dana.schoemer@stoughton.k12.wi.us) or [stephen.stokes@stoughton.k12wi.us](mailto:stephen.stokes@stoughton.k12wi.us)

The Nursing Assistant class is a great jump start to a career in health sciences and is a prerequisite for acceptance into most college level health science programs. This hybrid course is taught by MATC staff and combines online instruction, on-site lab instruction, and community-based clinical experience. Students who complete the course successfully earn 3 college credits from MATC and are eligible to take the state certification exam (written and skill) and be listed on the Wisconsin Nurse Aide Registry.

### Start College Now/ Early College Credit Program

If you are an upperclassman who has exhausted courses in an area of interest and are looking for more opportunities, consider taking college courses through the Start College Now (through MATC) or Early College Credit Program (through a four year school). This program allows students to explore additional educational opportunities that the school district would pay for while earning college credit. Simply completing the application does not guarantee that a course will be available or work within the school credit requirements but does open the door to the possibility. For the Spring of 2023 we need your applications by **Friday, September 30th** in order to be considered. If you have any interest please see your counselor or Ms. Schoemer. The application links are listed below.
