Dear Sun Prairie Area School District Community,

We have a lot to be proud of in the Sun Prairie Area School District. We are starting the 2022–2023 academic year with a new secondary configuration, including the new and stunning Sun Prairie West High School, a refreshed Sun Prairie East High School, a new amazing space for Prairie Phoenix Academy, and a reconfigured and beautiful Central Heights Middle School. Plus, the new Bank of Sun Prairie Stadium at Ashley Field has already been enjoyed by thousands of District residents.

We have also in all other District facilities, by installing new lockers, bathrooms, furniture, flooring, lighting, HVAC, carpeting, paint, and windows, and tearing down walls to make our learning spaces more collaborative. We have much to celebrate when it comes to our facilities. With three high schools, three 6th–8th-grade buildings, and nine elementary schools, our School District is in great shape for the foreseeable future.

But buildings do not teach children; people do. **We have made great strides in recruiting and retaining the best teachers, staff, and administrators who work tirelessly for our students each and every day.** Three years ago, our median salary for teachers was below the Dane County average, and we are proud to say that we are now slightly above the Dane County median. But we cannot regress. We must do everything we can to recruit and retain the highest quality staff so that our children are prepared for the ever-changing world we live in.

**We do not want to increase class sizes at this critical time or reduce the number of staff that make our District the best place for our students. We have come too far.**

We believe our brightest days are still in front of us. **Thank you for your ongoing support of our faculty, staff, and most importantly, the 8,400 children who are relying on us every day.**

On behalf of the Board of Education, thank you for reading the important information in this newsletter. It is our honor to serve you.

Every Child, Every Day,

*Steve Schroeder*
Board of Education President

*Bryn Horton*
Vice President

---

**In this newsletter, we provide:**
- Critical facts about school funding and projected budget deficits
- Information about the November 8, 2022, $9M operating referendum
- Consequences of a failed referendum
- Opportunities to engage and learn more
Operational costs have increased exponentially. For instance:
- Our busing contract has gone up 5%.
- Our utilities cost has gone up 10%.

Costs to maintain an exceptional workforce have grown exponentially.
- We’ve attracted an extraordinary staff and don’t want to regress.
- Wages have been tied to inflationary increases and are slightly above Dane County average.

State funding has stagnated.
- While costs have gone up, the state has not increased funding to help schools keep pace.
- Per-pupil funding has not increased for the last two years.

As recently as 2011, Wisconsin’s per-pupil funding was $1,166 above the national average. In nine years, we have fallen $754 below the national average. This is before two years of a $0 increase from our state.
Where will the referendum funds go?

- **Maintain Class Sizes**: So that we can best meet each student’s individual needs.
- **Competitive Employee Wages and Benefits Plans**: So that we can meet student needs with a best-in-class workforce.
- **Equity in Learning Environments**: So that we can keep our buildings updated to provide spaces that support 21st-Century best practices in teaching and learning.
- **Maintain Student Services Programming**: So that our school counselors, social workers, nurses, and special education teachers are best able to meet student needs.
- **Consistency in Classroom Experience When the Regular Teacher Is Out**: So that we can fund for high-quality professional substitutes.
- **Increase Mental Health Services for Students**: So that we can respond to increasing student needs.

**SPASD Top Three Operating Expenses by Type (The What)**

- **$68.4M** Salaries
  - Examples: Employee Insurance & Retirement

- **$25.0M** Benefits
  - Examples: Utilities, Transportation, Facility Repairs & Maintenance

- **$16.6M** Purchased Services
  - Examples: Instructional Aides, Student Services, Special Education, Open Enrollment Out

**SPASD Top Three Operating Expenses by Function (The What For)**

- **$66.5M** Instruction (Teachers)
- **$22.1M** Facilities, Transportation, Utilities, Business & Central Services
- **$19.0M** Instructional Support & Contracted Education

These three areas represent 93.2% of District expenses.

These three areas represent 91.1% of District expenses.
Funding challenges are happening statewide.

40 operating referenda in Wisconsin this November.

8 of 16 Dane County districts have operating referenda this November.

</tr>
<tr>
<td>Deerfield</td>
<td>November 2020</td>
<td>$500,000/yr for 5 yrs</td>
</tr>
</tbody>
</table>
The referendum question is for $9M per year. Step into $9M over 3 years ~$3M/yr phased each year for 3 years to a consistent $9M each year after that. The amount for each year’s phase-in will depend on state funding, inflation, and mill rate management.

What is the impact for you, the taxpayer?

Due to increasing property values and state equalized aid, the District’s mill rate is projected to go down. **Even with a successful referendum, the mill rate is expected to drop by about 30 cents.**

<table>
<thead>
<tr>
<th>Property Value</th>
<th>Cumulative 3-Year Projected Tax Impact</th>
</tr>
</thead>
<tbody>
<tr>
<td>$200,000</td>
<td>$ – 44.07</td>
</tr>
<tr>
<td>$300,000</td>
<td>$ – 66.10</td>
</tr>
<tr>
<td>$400,000</td>
<td>$ – 88.14</td>
</tr>
<tr>
<td>$500,000</td>
<td>$ – 110.17</td>
</tr>
</tbody>
</table>

With a successful referendum, your property tax rate is still projected to be lower after three years than it is currently.

We encourage you to use the tax calculator on our web page to calculate the estimated impact on your property.

---

**Information Sessions**

In-person and virtual opportunities for you to ask questions and learn more are coming up over the next few weeks.

- **Friday, September 23** — Virtual Open Door, 9:00–10:00 a.m. Link will be available at [sunprairieschools.org](http://sunprairieschools.org).
- **Monday, September 26** — Referendum Open House, 5:00–6:00 p.m. District Support Center, 501 South Bird Street
- **Wednesday, September 28** — Coffee with the Superintendent in the Community, 8:00–9:15 a.m.
- **Wednesday, September 28** — Virtual Open Door, 12:00–1:00 p.m. Link will be available at [sunprairieschools.org](http://sunprairieschools.org).

There will be several more events scheduled during the month of October. We hope to see you there!
Q: What happens if the referendum fails?

A: If the referendum is not approved on November 8th, the District will develop a process for making significant budget reductions for the 2022–2023 school year and beyond. We will need to reduce our largest expenses, including salaries, benefits, and purchased services.

Q: How does the building of Sun Prairie West High School factor into this referendum?

A: In 2019, our community passed a capital (building) referendum to build and remodel schools. That money cannot be used for ongoing expenses.

In 2019, the community also passed an operating referendum dedicated solely to the costs of operating and staffing the new Sun Prairie West High School.

The need established in this 2022 referendum is independent and separate from past referenda. This referendum is a result of a lack of state funding and not a result of building and remodeling schools.

Q: How does the governor’s recent announcement of additional funding impact the budget?

A: The governor announced funding for Wisconsin schools from the federal American Rescue Plan Act. Sun Prairie’s amount of approximately $756K will be helpful in reducing the $4M budget deficit for 2022–2023. An additional allocation is targeted toward student mental health. This is an area of focus that our community identified in our updated strategic framework refresh. In short, these allocations help, but they are one-time funding that help bridge our current budget until more permanent funding is obtained through a referendum.

Q: What is the difference between capital and operating referenda?

A: In a capital referendum, funds are borrowed and paid back with interest. This type of referendum is most often used for building projects.

In an operating referendum, there are no interest payments because there are no borrowed funds. The referendum amount is levied each year (pay as you go) and is more cost-efficient for the community.
RESOLUTION AUTHORIZING THE SCHOOL DISTRICT BUDGET TO EXCEED REVENUE LIMIT BY $9,000,000 FOR RECURRING PURPOSES

BE IT RESOLVED by the School Board of the Sun Prairie Area School District, Dane and Columbia Counties, Wisconsin, that the revenues included in the School District budget be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by $9,000,000 beginning with the 2022–2023 school year, for recurring purposes consisting of expenses related to maintaining class sizes, student services, and staff compensation, providing for substitute teacher coverage, increasing mental health services for students, and ongoing safety and facility maintenance.

For comprehensive election information, voter registration, and obtaining absentee ballots, visit myvote.wi.gov.

A few reminders . . .

- You must be registered to vote. This requires a valid photo ID.
- Mail-in absentee ballots are available from September 22 through November 3. Request yours today and watch for due dates.
- In-person early voting begins October 27.
Thank you to our community for your past support of Sun Prairie Schools!

Strong public schools:
We commit to providing an outstanding value for invested dollars.
Are an economic engine for our community
Make our community a desirable place to locate for both business and residential purposes
