What is Grad Night?

Grad Night is a Cupertino High tradition—it is an all night party exclusively for graduating seniors. It is an awesome celebration of this milestone in their lives. Grad night takes place at Boomers in Modesto and is supervised by both parent volunteers and Boomers staff - including a general manager, event planner, attraction staff and security. Grad Night gives our grads an extraordinary experience and also a chance to celebrate with their friends in a fun, safe and sober environment.

How are you taking precautions during the pandemic?

While there is no 100% safe way to gather socially, there are things we can do to minimize the risk of exposure of the Covid virus. Below are a few of the things we will be doing to keep everyone safe.

- All volunteers, vendors and students will be required to follow the guidelines set forth by the Fremont Union High School District
- All food will be catered and/or be commercially prepared. That means no homemade food or desserts and only canned sodas or bottle water will be allowed.
